## **THE OCCULT: ASTROLOGY**

Astrology is defined as, "The divination of the supposed influences of the stars upon human affairs and terrestrial events by their positions and aspects." [Webster's Dictionary] Not **astronomy**, the legitimate study of the heavens.

The teachings of Astrology are that one's destiny or character is determined by the positions of the heavenly bodies and that one can predict or interpret things based on solar or planetary alignment. Many rely on their daily Horoscope to plan their day. A Horoscope is defined as, "A diagram or scheme of the twelve houses of heaven, showing the relative positions of planets and signs of the Zodiac by which astrology professes to foretell the events of a person's life or to answer hoary questions." [Webster's]

There are several problems that are created as a result of one's belief in Astrology.

**(1)** People are misled. More than 32 million in the U.S. take it seriously. Horoscopes are carried in most newspapers. It is big business. (Gal. 4:8-10) **(2)** Leads people to act irrationally. It is said that 1 out of 15 people change their plans from time to time because of astrological forecasts. **(3)** Creates psychological disorders. (Jer. 10:2) Many exhibit fear of the forecast.

The Truth is that it is a false religion or a form of idolatry. (2 Kgs. 23:5) (1 Thess. 5:22). It is a contradictory and deceptive, false science. Composers of Horoscopes use general comments, good advice for anytime. (Eph. 4:14-15) Our lives are not controlled by the planets, it cannot offer salvation. (Isa. 47:13) (Jn. 14:6) (Rom. 10:17) and it is **condemned in God's Word. (Deut. 17:2-7) (Acts 7:42-43).**

### WORK PLAN GOALS FOR 2008

One of the goals for 2008 is to increase the support for the ZSOBS. The school facilities are capable of handling 50 students (two classes of 25) with 25 graduating every year. The school only has enough financial support to take in 15 students every two years. Warners has agreed to increase our support for two years beginning in Jan. 2008, so the school can accept 25 men to train as preachers for the next two years. This means that Warners will provide funding for training 10 additional preachers. The cost to train 10 preachers is 900.00 per month for 24 months. This includes housing, feeding, training and a monthly allowance. This is a wonderful opportunity to train preachers that hopefully, will spend the rest of their lives preaching the gospel of Christ. These men can be trained for a fraction of what it costs to train a preacher in the US. Many of these graduates go on to teach in other preacher school in African countries. Another great thing about the preacher schools in Africa is there is no shortage of men who want to attend them.
