A CORDIAL WELCOME AWAITS YOU

NCSBS

Our work with NCSBS continues to grow. As we begin a new year, Dathan Bodie continues his studies with us. We also welcome four new full time students. Among these full time students is Alan Knight from here at Warners. Other new students coming in are Jeff Cannon from Raleigh, Matthew Carter from Wilson, and Eric Bouza from the Charlotte area. We hope to have more information in later bulletins about our students.

There will be several involved in the ladies program and hopefully many of you will participate in either the day or evening classes. Also three students are enrolling in the distance learning program on-line with their computers. Additionally 19 students will participate in the satellite programs being offered in the Mountain Island, Spindale, and Goldsboro congregations. There are more than thirty students who will be participating this year.

Along with full time students come financial needs. The last Sunday in August will be a fifth Sunday and the contribution for that Sunday has been designated to be placed in the NCSBS scholarship fund. Please consider this need as you plan your giving.

A Model for the Church

In the basement of America's largest home, the Biltmore House in Asheville, North Carolina, you can see a model of the structure. The model was completed first, as a guide to build the home. In Barcelona, Spain, you can visit the still unfinished Sagrado Familia Church. They have been working on it for fifty years. They will show you a model of what the building will look like when it is finished.

We all need patterns, and we must follow the right pattern. The Bible gives us a model for building Christ's church. The New Testament is the right pattern. Members of the church of Christ refuse to accept any human creed in religion. We seek to plant New Testament churches throughout the world, after the New Testament pattern. We refuse any uninspired man's statement, or system of statements, as our rule in religion. Articles of Religion, Confessions of Faith, Disciplines, Church Manuals, and Creeds formulated by men are thus rejected. The Word of God alone is our standard.

This is the only safe path because "all scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works" (2 Tim. 3:16-17). Peter says that God gave us all things that pertain to life and godliness (2 Peter 1:3); therefore, when we speak, we are to "speak as the oracles of God" (I Peter 4:11).

If we want to be pleasing to God, we need to follow His model.
