“I Need to Study My Bible More”

Our Winter Quarter at NCSBS begins tomorrow. The course of studies offered this quarter includes: The Scheme of redemption; Greek II; New Testament Introduction; Exodus – Deuteronomy; Homiletics II, and Christian Evidences. The Christian Evidences class will be offered on Thursday night with Terry Wheeler teaching the class. We have two students already signed up for that class. If you have never studied Christian evidences this would be a great time to do so. Brother Wheeler has always done an excellent job in making it interesting and informative.

There will also be a New Testament Survey class for the Women’s Studies course on Thursday night. Frank Shepard will be teaching that class. There are two ladies signed up for that class as well. The Ladies’ class will run from 6:30 – 8:30 p.m. and will meet upstairs in the annex.

Sign-up sheets for both classes are on the bulletin board in the foyer. You can also contact Frank and let him know if you plan to attend or want more information. The classes start this Thursday night. These classes are a good way to fill that need: “I need to study my Bible more.”

“Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth.” 2 Timothy 2:15

ELDERS CORNER:

WE'RE SO BLESSED!

- If you own just one Bible, you are abundantly blessed. One-third of all the world does not have access to even one.
- If you woke up this morning with more health than illness, you are more blessed than the million who will not survive this week.
- If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are ahead of 500 million people in the world.
- If you can attend a church meeting without fear of harassment, arrest, torture, or death, you are more blessed than three billion people in the world.
- If you have food in the refrigerator, clothes on your back, a roof over your head and a place to sleep, you are richer than 75% of this world.
- If you have money in the bank, in your wallet, and spare change in a dish someplace, you are among the top 8% of the world's wealthy.
- If your parents are still married and alive, you are very rare, even in the United States.
- If you hold up your head with a smile on your face and are truly thankful, you are blessed because the majority can, but most do not.
- If you prayed yesterday and today, you are blessed because you believed in God's willingness to hear and answer prayer.
- If you believe in Jesus as the Son of God, and have learned of His way of salvation, you are part of a small minority in the world.
- If you can read this message, you are more blessed than over two million people in the world who cannot read anything at all.

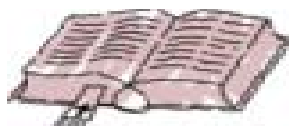

Be thankful to the Lord!

OUR SICK

Please Remember in your prayers

Atha Clark continues to do better each day. Please continue to pray for her.

Mary Ellen Dull will undergo gallbladder surgery on October 21st. at the Clemmons Medical Center on Harper Road. She will be an overnight outpatient.

Wayne and Cathy Hutchins were reported ill with colds this past week.

Please pray for **Katherine Rumley**, an aunt of Mindy Santiago. She is now out of the hospital and has been moved to the Oaks for rehab.

Emily Workman's uncle, **Morris Legg**, had a biopsy last week and now has an infection at the biopsy site and is hospitalized in Florida. No results are yet known from the biopsy. Prayers are requested on all counts.

Please pray for **Joe and Diane Turner**, neighbors of David Moore, as they make decisions for Joe's care. They are considering Hospice Home Care. He is in the end stage of congested heart failure.

The Harrison Family is requesting prayers for **Jonas Swain**, a member at Linville Forest. He was involved in an accident involving a deer that left him with a broken back and has undergone surgery this past week. He is 24 years old.

UPDATES:

Merry Minchy (D.J. and Jim Harrison's granddaughter) is still having problems following her recent surgery and probably will undergo further surgery to have two shunts put in her brain for drainage later. She will see her doctor on Friday.

D. J. Harrison continues to have health issues and is not feeling well.

James Allen was been released from the hospital on Wednesday. He was receiving blood and platelets. He is waiting to see if he will undergo further surgery on his hands.

Bill Workman, Clayton's father, had another abscess drained yesterday and is home recovering. This will delay his next chemo treatment by about a month.

Simmie Sell would like to thank the folks at Warners Chapel for their prayers, cards, calls, and visits.

The doctor of Clayton Workman's grandmother, **Norma Grisham**, has found a large growth behind her eye that they feel pretty certain is cancerous. She is now considered blind in that eye. She will be going to Memphis soon (no date has yet been chosen) to see a specialist to determine if treatments are appropriate or would even be helpful.

The **Prayer List** is available on the credenza in the foyer.
