THE PTP EXPERIENCE

We got to spend this last week, listening to Gospel lessons and have brotherhood fellowship that was a little taste of Heaven. We experienced beautiful singing with thousands of brethren and participated in focusing on well-needed lessons to help change us for eternity. It was a great week to escape the world for a little while to focus on our spiritual lives and eternity. We are so boosted by it that we are all on fire, spiritually, and ready to do the work of the Lord.

The more you think about it, it brings out what can occur when we have fellowship, escape, lessons, and self-evaluation. It's amazing what can happen when you stop focusing on the physical for a while, get away from the cares of the world, and focus only on the spiritual. I just wish we had this on a more frequent basis than just 1 week out of the year. **WAIT! WE DO!!!** Every Lord's Day and Wednesday we get to come together and escape the cares of the world for a little while to focus only on our spiritual well-being. Each week we get to sing songs and be encouraged by the teachings. Each week we get to listen to God's Word as it speaks to us through our sermons and classes to cause change in us for eternity. God made this situation for us to bring a special time, special surroundings, and a special focus to help us experience what Heaven is going to be like. The question that we have to ask ourselves is **“Are we taking advantage of the spiritual experience that can help form us to what we need to be and experience Heaven here on earth?”**

Hebrews 10:24–25

24 And let us consider one another in order to stir up love and good works, 25 not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching.
