————— PAUL —————

Paul is considered one of the greatest New Testament characters. He was born in Tarsus and was taught by Gamaliel. He was a persecutor of the early Christians, but later, he was converted and appointed as an apostle.

Paul made three missionary journeys which are very outstanding. During these journeys, he suffered many hardships. He was stoned, shipwrecked, and cast into prison, but still he continued to spread the gospel by his preaching.

To Paul, the Christian life was a race, with the prize being the crown of everlasting life. We know that he won this crown of life because in II Tim. 4:7,8 he says, "I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing." Through Paul and the thousands who have been influenced by him, Christianity has grown. Many believe that Paul has done more good than anyone, with the exception of our Lord and Savior.

Five more books were added to our library last week. Our library is growing. Many of you have been using it and have been telling us you appreciate it. Those who started it appreciate your interest. It's yours- -use it!

Those books added are: "The Harmony of Science and Scripture" by Harry Rimmer. This book is an interesting and instructive as any book in the library. "Our Young Folks in Bible Lands" by B. W. Johnson is an informative one on Palestine and the Middle East. Every Bible teacher should read it. Young people in the congregation will read it with much interest. "How The Disciples Began and Grew" by M. M. Davis will make us appreciate the church even more. It's a condensed story of the Restoration Movement in the 1800's. "All About the Bible" just about lives up to its name. Over 85,000 copies have been sold. You shouldn't miss read-
int this one.

"Hardeman's Tabernacle Sermons", Vol.5, is one of the five. You'll be spiritually enlightened by these excellent sermons of Bro. N. B. Hardeman, president of Freed-Hardeman College. **THEY ARE ALL YOURS: USE THEM!**
