What Is My Purpose In Life?

Have you ever asked yourself this question, "Why am I here?" If you have, it is awesome to know that our loving God has given us the answer to this question. It is loving for God to do this so that we don't have to worry about our lives wondering if we have fulfilled our lives or have wasted our lives. In the Bible, we are told a 2 fold purpose of living: To fear God so that we can go to Heaven to be with Him and to glorify God with others. But why is this the case? It is because God was gracious and loving enough to create us and give us everything that we need and it is only reasonable for us to give our lives to Him (Rom. 12:2). Should we not be thankful and express that thankfulness to Him? Let's take a look at 2 particular passages for this study.

Ecclesiastes 12:13 (NKJV) — 13 Let us hear the conclusion of the whole matter:
Fear God and keep His commandments, For this is man's all.

It is so amazing that God would give us, in a very specific, simplistic fashion, what our purpose in life is. If we do this, then it will lead to the second part of our purpose. He first states that we need to fear God. Fearing God is having respect and acknowledgment of WHO God is and THE POWER that God possesses. Once we realize WHO God is, then we will learn our place concerning Him. Once we realize that He is the RULER and CREATOR of us all, then we realize that we are not the ones who are in control or is the superior being. We are the ones who need to respond

(Continued on Page 2)

to and listen to the One Who is superior to us. Now we will do this when we ultimately realize and acknowledge the power that He has. When we comprehend that the One Who is superior to us can control our lives in every respect and will ultimately send us to our eternal destination, we will then be inclined to listen to Him and do what He says. But how do we fear Him? By keeping His commands. This is how we show Him that we fear Him. This is not a different concept in the Old Testament and the New Testament, but the same thing. We read in **1 John 2:3** “Now by this we know that we know Him, if we keep His commandments.” It is all about knowing God that we respond in a way that listens to what He says and does what He says to do. When we do this, we become what God wants us to become and this will lead to the next purpose of our lives.

Matthew 5:16 (NKJV) — 16 Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

The second purpose for our lives is to GLORIFY THE FATHER by ourselves and lead others to do the same. We need to glorify the Father because of all that He has done for us: He made us, He sustains us, and He gave us His Son so that we can be with Him for all eternity. After knowing all of this, why would we not want to glorify God? It just doesn't make sense. But here is how we do this. We live our lives in the commandments of God so that we can become God-like (godliness) in nature. Once we have grown into this mindset and we show others, through our lives, how to do this, then others will do the same. God gave us an influence that cannot be hidden. So when we live in a godly way, others will then mimic us, and then others will mimic them. But it all started with us.

**We are to glorify God in our bodies so that others will be led to glorify God in theirs.
How are we doing?**

EVEN ONE IS IMPORTANT

There is much comfort in the fact that the Lord does not judge us concerning the number of people who listen to us. He does not grant special blessings to the man who may preach to a thousand above a person who talks to one. Neither does He judge us on the of those whom we try to teach. He will judge us on our faithfulness in teaching others each time we have an opportunity. The number of listeners and how the respond will remain in His hands.

If one soul listens and we are able to convert him we have made it possible for him to have something worth more than the whole world . . . We cannot afford to forget the one.
