A CORDIAL WELCOME AWAITS YOU

July 12, 2009

THIS WEEK...

By the time that you are reading this I will be at CBC for the 5th week of camp. If it has not been expressed emphatically let me do so now; the church is invited to the graduation ceremony and banquet. We ask that you sign up on the list in the foyer so that we will know how many to plan for. The list will be taken down Wednesday night after services.

Also there is a sign-up sheet for those who are bringing food. Grilled chicken will be provided but we are asking for the side dishes to be brought to the dinner for all those present. There are others from surrounding congregations who have responded to our invitation to them. These were ones who have helped support the students.

The graduation will follow a simple format. We will begin at 6pm with a graduation ceremony in the auditorium of the church building. The program will last approximately forty-five minutes. After the ceremony, we will have our meal in the annex. The meal will be served buffet style so that there will be time for food and fellowship.

We are very proud of our students and know that they will handsomely represent the North Carolina School of Biblical Studies. The graduates are: General Studies: Terry J. Dow, Jimmie Lee Hobbs, Jr., Fred Alexander (Andy) Moss, Sr. Receiving certificates in Women's Studies: Stacey Dow, Libby Hobbs, Lillian Moss and Christine Stephenson. May God bless them in their service for Him.

—Paul

ELDERS CORNER:

Floral Arrangements

In the past, artificial floral arrangements for the auditorium have been provided by members of the congregation. We would like to take this opportunity to express our appreciation to those who have contributed to this effort. However, the arrangements have accumulated to the point that we've run out of storage space. Since the arrangements were expensive and many of them were memorials, you may want to reclaim the ones you provided.

If you wish to reclaim your arrangements, please do so by Sunday July 26, 2009. After this three week period, the remaining arrangements will be donated to Goodwill or disposed of in some other manner. For your convenience, they have been relocated from the various rooms and closets to the table in the old activity room.

In the future, it is requested that memorials be made using live flowers instead of artificial ones in order to reserve the limited storage space for other needs. Your cooperation in this matter will be greatly appreciated.
