## AN INVENTORY

What if the prayer meeting depended on my presence? Would it fail or succeed?

What if the growth of the Bible study was my responsibility? Would it thrive or would it die?

What if the interest of the Sunday evening worship were gaged by my zeal? Would it be impressive or discouraging?

What if the financial stability of the church relied on my contribution.....would it be a reproach to the community or an inspiring confidence? WHICH??

What if the business end of the church measured

its transactions by my suggestions? Would the outlook of the church be promising?

What if everyone were as unmoved by the appeals of the leaders as I? Would the church move onward or be retarded in progress? Would the leaders "thank God and take courage" or would they think their oversight a failure?

"Try your own selves, whether ye are in the faith; prove your own selves..." II Cor. 13:5.

### THE UNRULY MEMBER, THE TONGUE!

The Word of God and my experience have taught me that this subject is a great one. The fruit of our lips is sure to influence our friends and neighbors for good or evil, making it a personal duty to try as best we can to bridle our tongues. James says, "let every man be swift to hear, slow to speak, slow to wrath: For the wrath of man worketh not the righteousness of God." Ja.1:19-20.

"For in many things we offend all. If any man offend not in word the same is a perfect man, and able also to bridle the whole body." Ja.3:2. In Ja.3:6, 10, 11 we read: "And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body and setteth of fire the course of nature; and it is set on fire of hell. Out of the same mouth proceedeth blessing and cursing. My brethren, these things ought not so to be. Doth a fountain send forth at the same place sweet water and bitter?"

We should all strive to let our tongues speak only such things as would be classed with the good and be a blessing. May God help us keep our speech and thoughts pure.

Let us have more teaching on this important subject.

### BUSINESS MEETING NOTES

The regular monthly business meeting was held last Sunday immediately after the morning service.

The work on the house was discussed. Bro. Landroth was assigned to see that the insulation job was commenced soon. He and Bro. Parks Messick are to inquire concerning the plastering. Bro. Everette Harper is to see that the oil tank hole is finished as soon as possible.

Bros. A. P. Warner, Francis Kimel, and Everette Harper were assigned to hand in material for the bulletin for the month of October. The material is to be either original or selected. An order for 10,000 fronts was also assigned. It was also decided it was time to revise the mailing list.

Bros. Jim Harper, Harold Doub and A. P. Warner were assigned to receive money to be sent to some foreign students at David Lipscomb College. A public announcement will be made Sunday concerning this.

### MAILING LIST

The present mailing list is being scrapped. If you have a friend or relative or know of a member who has moved away who should receive a bulletin, write the name and address on a piece of paper and give to either Dot Holder, Helen Warner or Eunice Reeves.
