North Carolina School of Biblical Studies - Update

Isn't it wonderful to be back in worship again and to be getting a bulletin? I want to take this opportunity to thank everyone at the congregation who have made us feel so welcome, even under restricted visiting and worshipping opportunities.

As you know, due to Covid restrictions, we have not been able to begin regular on campus classes for the school. It is in our plans to do that next year. We believe we will be able to meet Covid requirements and still have class. The curriculum is set and we will begin recruiting in earnest for the 2021-22 school year.

In the meantime, **Journey Through the Bible** begins January 7 for the ladies (Instructor: Teresa Glenn). **Developing Leadership Practices That Work** begins January 7 for men or ladies (Instructor: Mike Glenn).

Teresa and I have had the privilege of conducting three online Zoom classes. **Ladies**, if you have not had the opportunity to participate in Teresa's class, I strongly urge you to be part of the class that will begin, Thursday, January 7, 2021. The class is titled **Journey Through the Bible**. It will help you understand how events, types and prophecies of the Old Testament tie together and join with the New Testament as part of the entire picture of God's plan to save mankind. The class beginning in January will be the second part of the class already taught. **BUT**, the first class is not prerequisite for the second. Please come on in and be a part of the learning.

While registration has not officially opened for any classes yet, Teresa has already had requests from 50 ladies to sign them for the next class. If you cannot participate in the Zoom

class itself, the video's are available for download on a weekly basis for you to study at a time convenient to your schedule.

Elders, deacons, men (and any ladies who wish), I implore you to take the time to be a part of the class, **Developing Leadership Practices That Work**, which will also begin on January 7. This class is not on the theory of leadership. It will be the practical application of those Biblical principles. Nothing can take the place of effective leadership in any organization, especially in the church. Leadership sets the tone for whether a congregation will build momentum by utilizing the enthusiasm, energy, creativeness and dedication of all its membership, or, whether they will constantly struggle with the effort to build momentum and build the kingdom with the small group of men that are accepted as leaders making most of the decisions and handling much of the spiritual work. At this time in our world's history, the covid virus has made it essential to be creative in finding ways to grow the kingdom of God.

This class will both explore and put into practice, with online collaboration, a number of effective Biblical concepts for strengthening and developing a leadership that works in building momentum for the kingdom.

Brothers and sisters, NCSBS is your work. You have afforded Teresa and I the privilege of being a part of strengthening the church through the school. These online classes we are holding are not just something to do during covid. They are planned leadership and Christian growth series. They were part of our plans from the beginning as a way for Warners Chapel to have a long-lasting impact for good in North Carolina, Virginia and around the world. The preachers who are trained at the school will go everywhere preaching the gospel. But, before that, truth, strength and encouragement will go everywhere through these online classes. You are making it possible to tell the world that God loves them and wants them to be saved. You are making it possible to say to the churches, "Let's wake up, study up and get moving even more for the Lord."

I hope you will be able to take advantage of these classes yourself.

~Mike Glenn

OUR SICK

Please Remember in Your Prayers

Please continue to keep the following in your prayers:

Elwood Flinchum, Abby Little, Kathy and Wayne Hutchins, Steve and Ernestine Martin, Don Jackson, Sandy Smith, Mike & Dora Lungren, Larry Hayes, Melvin Sapp, Caleb Massey, Terry Wood, Laurie Courtemanche, Ruby Brewer, Edith Allen.

Debbie Southern has tested positive for Covid. She has cold symptoms, sore throat and some fever. Gene hasn't been tested but is operating under the presumption that he has it too and they will be quarantined for a couple of weeks. They have requested prayers in their behalf.

Steve, Karen and Kelsey's Covid tests were all negative. Update on Ernestine, she was tested again, and tested positive again with no symptoms; but will remain isolated with no visitors. She is receiving antibiotics and treatment for a pressure sore. When she is able to leave the hospital she will have to go to a skilled nursing facility. Please continue praying for her,

Gaye Ruark fell and broke her left arm on Nov. 18th and underwent surgery on Monday, Nov. 23rd. Fortunately it was her left arm since she is right handed. She is doing well.

Mary Seal requested prayers for her daughter, **Rhonda Hardister**, who had skin cancer surgery recently. The cancer was Basil Cell cancer and she is doing well at this time.

Mary Seal has also requested prayers for her son-in-law, **Scott Hancock**. He had been in the Davie Hospital having issues with an infection in his foot from a blister (he is diabetic) and has recently had to return to the hospital and have his toe removed. He will have to undergo further surgery on his foot because the infection still remains in his leg. He has also been very sick with the antibiotics. Please pray for him that the doctors will be able to help him.

Robin Hauser's mother, **Ruby Brewer**, is at the Forsyth Hospital with pneumonia and Covid-19. Prayers are requested for her and family.

Betty Hoots was possibly exposed to Covid-19 recently. The quick test came back negative but they are waiting for the results of the long test.

Melvin Sapp received a call recently to have the double lung transplant that he needed. The surgery took place and it was reported to have been successful. Please continue to pray for him.

Stan Matthews has recovered from pneumonia and Covid-19 and is now at home.

Please pray for the Brothers and Sisters in Nicaragua. They have been hit hard by a hurricane. More information will be available when we know more.

Welcome

WE ARE HAPPY TO HAVE YOU VISITING WITH US THIS MORNING. WE INVITE YOU TO RETURN THIS EVENING AT 6:00 P.M. FOR THE SUNDAY EVENING SERVICE AND AT 7:00 P.M. EACH WEDNESDAY EVENING FOR THE MID-WEEK BIBLE STUDY.

House to House Highlights

House to House Highlights a participating congregation in the United States and solicit prayers for their work. **HTH** is involved throughout the US (and beyond) in evangelism. Each week we will highlight a participating congregation and solicit prayers for their work) This will bless them and introduce churches for you to visit in your travels. This week's focus: **St. Mary's Church of Christ** in St. Mary's, Georgia.

St. Mary's church has been in the **HTH Program** on and off for 20 years and just recently renewed this effort. Since restarting, they have mailed 4500 **HTH** into their community of 8,995.

Their preacher, Art Wilson, began working with the congregation in 2012. Their elders are Linwood Burden and Terry Powell. St. Mary's church of Christ has about 65 members. Their size fluctuates because of their proximity to an Air Force Base to which they minister.

Please pray for them today. Pray that their **HTH** mailings will produce prospects for salvation and that they will be successful in leading these members of their community to become members of the kingdom of heaven.

Thank you for taking time to pray for the kingdom (**James 5:16**).
