WORSHIP WITH US SUNDAY NIGHT

Published twice a month by the Church of
Christ at Warner's Chapel, Route 1, Clemmons,
North Carolina.

HOW TO IMPROVE THE WORSHIP

- 1- Come early. Late-comers always disturb the services in some degree.
- 2- Quietly besetated near the front. Leave the back seats for the visitors and those who are late.
- 3- If late, pause at the door until the song, prayer or Bible reading is over.
- 4- Once inside, do not engage in unnecessary conversation. Prepair your mind to worship God.
- 5- During song service watch the leader and "sing in spirit and in truth". Think on the words of the songs.
- 6- Give the preacher or teacher your full attention. Try to grasp the main theme of the lesson and apply it to yourself. If this is done, usually you won't fall asleep during the sermon!
- 7- Teach your children reverence. During church services is no time for young people to be playing (I am not talking about babies)
- 8- Keep your mind on worship. If you do this, you will be profited greatly.
- 9- Make the visitors feel welcome, and invite them back.

COME TO BIBLE STUDY WEDNESDAY!
