## SADDLED FOR HIS SERVICE...BRANDED FOR HIS GLORY

Riders Of The Great Roundup intends to be a wonderful opportunity to showcase the need for stewardship while exploring the parables. 1 Corinthians 10:31 teaches us that, “whatever you do, do all to the glory of God.” While each of us have responsibilities and reasons for doing what we do, our primary motivation should be to bring glory to our God. Further, if we truly believe that, “every good gift and every perfect gift is from above,” (James 1:17) then all we have should be used to glorify Him and to fulfill His purpose. Riders Of The Great Roundup is about discovering a higher calling that leads to a higher level of service by becoming good stewards of all that God has given us.

We have a few new teachers this year and we trust that they can bring a new perspective to each class. Again we will have Frank Shepard to introduce each study with an object lesson. Don't forget, there will be prizes for those who brought the most and we will be having Ice Cream on Wednesday night and, of course, Thursday is HOT DOG NIGHT!

## MARRIAGE IS GOOD MEDICINE FOR MEN

Married men — regardless of age, race, income or education — consistently have been found to be healthier than men who are single, divorced, or widowed. This so-called “marriage benefit” begins to kick in right after the wedding, then builds. Husbands ages 18-44 are strikingly healthier than bachelors of the same age. At every age, in fact, marriage not only protects men's health but also prolongs their lives. —Selected from HtoH
