## ***DON'T PUT YOUR CHILDREN ON THE WRONG TRAIN”***

*As the train was beginning to roll out of the station the conductor began to take up tickets. Looking at the first passenger's ticket, the conductor said, “Friend, I think you're on the wrong train.” To which the passenger replied, “But the ticket agent told me this was my train.” As it turned out, after checking with the ticket agent it was the **conductor** who was on the wrong train!*

*If leaders fail, it's hard for those who follow them to stay on the right track. The history of Israel shows the poor leadership was a recurring problem for them. Eli, the priest, in Hannah's day, failed to responsibly raise his own sons. God told Eli his family would face punishment for his failure beginning with the death of Eli and his two sons.*

*This story teaches the importance of godly leadership in the home and in society. Our sin can hurt others and what we say and do has more influence than we might realize. One of the qualifications of an elder in the Lord's church is to rule his own household well, 1Timothy 3:4. Raising our children in the fear and admonition of the Lord is a vital part of our responsibility to God, family and country. Don't put your children on the wrong train – don't cause them to jump track.*

## **ELDERS CORNER:**

### **DON'T FIND FAULT**

Pray don't find fault with the man who limps  
Or stumbles along the road,  
Unless you have worn the shoes he wears  
Or struggled beneath his load.

There may be tacks in his shoes that hurt,  
Though hidden away from view,  
Or the burden he bears, placed on your back,  
Might cause you to stumble too.

Don't sneer at the man who's down today,  
Unless you have felt the blow  
That caused his fall, or felt the same  
That only the fallen can know.

You may be strong, but still the blows  
That were his, if dealt to you  
In the self-same way the self-same time,  
Might cause you to stagger too.

Don't be too harsh with the man who sins  
Or pelt him with words or stones,  
Unless you are sure, yea, doubly sure,  
That you have no sins of your own.

For you know perhaps, if the tempter's voice  
Could whisper as soft to you  
As it did to him when he went astray,  
'Twould cause you to falter too.
