"THE LETTER, E"

It's been said about the letter "E" that it is the most unfortunate character. It is forever in debt, never out of danger and always in trouble. On the other hand "E" is never in war, always in peace, and the very center of honesty. Ease begins and ends with it. More importantly, however, God's love, mercy and grace all contain it. It's in the name that's above all names, Jesus.

"E" is found in the gospel and eternal life begins and ends with it. Who could talk about heaven without it? It has a place in hear, believe, repent, confess, and be baptized and faithfulness. It is in arise, newness of life, prayer, learn, practice, death, resurrection, and reward.

Now, let's talk about another letter. Let's talk about the letter "U". That's right "YOU". Try and spell church without it. "U" needs to be in church - don't you?

ELDERS CORNER:

This bulletin article from brother Jack Simons from March 17, 1991 rings so true today. We want to recognize those described in this article and thank you for all that you do daily for the cause of Christ in this community and throughout the world.

SIMONS SEZ:

A MESSAGE TO THE FAITHFUL

Today, much of our writing, preaching, and visiting is directed to the weak and unfaithful. We want to reverse that order here. This message is not addressed to those who have to be begged, petted, and pampered before they will attend worship services, and still are absent as often as they are present. This isn't for those who grumble the most while doing the least! Those in that category can stop reading now, for this is written especially to the faithful, who are always ready to every good work. Those who give uncountable hours of service and labor to the Lord and the work of the church. Those who volunteer readily when a task is to be done and are present at every service unless they break a leg--and even then they will come on crutches if they can.

These faithful we speak of have no more time, talent or money than the unfaithful, but they are more willing to sacrifice it for the Lord! They do not live in isolation from the attractions of the world, but they overcome the world through Christ! They are no less sensitive or human than the unfaithful, but they are more willing to suffer for the cause of Christ. That which sets them apart from the unfaithful is their love and dedication for Jesus!

There are not enough words of praise to give you or to tell you how much you are appreciated and needed. There is no way we can enumerate your good works or to estimate your value to the cause of Christ. But may this message of thanks assure you that you are loved and appreciated. The Lord will reward you above and beyond anything we can say here, but at least we have tried to say it--"THANK YOU, GOD BLESS YOU, AND KEEP ON KEEPING ON."

"For Jesus' sake"--2 Cr 4:11 Jack
