JANUARY 23. 2011

“EACH ONE TEACH ONE”

As we began our work plan for 2011 we need to remember that it is a team effort. Each person in the congregation has something that he or she can contribute to this effort. It has always been the mission of the church to do what Jesus did in this regard. He came to seek and save the lost and we are commissioned to do the very same thing.

Before the objection is raised, “That isn’t where my talent lies” recall that the apostles had different talents, but they all put their talents to the task at hand. Read John 12:20-22. Each man did what he could to help someone “find” Jesus. That’s what we must do.

We also need to understand that if we don’t know how to teach one, that we can learn how to teach one. There have been several opportunities through the school and the congregation to learn the “Fishers of Men” program of evangelism. There are those here who can teach you how to use that method. A person can learn how to teach others.

Part of what makes personal evangelism “personal” is the teacher. You can learn how to teach others. Can you imagine what the results would be if each Christian taught one non-Christian this year? Those who would do the teaching would grow spiritually. Those who were taught might obey the gospel. Those two things are what can be accomplished when we all do our part. So, we’ll look forward to seeing you tonight and remember, together we can accomplish, “Each one teach one.”

ELDERS CORNER:

Recently we received a request from the Rockingham Church of Christ for help in supporting Dathan Bodie, one of the graduates of North Carolina School of Biblical Studies. Many of us got to know Dathan while he was a student here and know that he is a good man and dedicated gospel preacher. Rockingham is a small congregation that needs help in reaching out not only to the community there, but also to members of the church there who have over the years drifted away. Dathan has for the past several months been driving from Charlotte to Rockingham each Sunday to preach and do as much visiting and personal work as he can between the morning and evening services. We hope he and the congregation there are able to find enough financial support in addition to what we might be able to provide in order for him to be able to move there and work full time beginning in June when his son graduates from high school. Also, if this work does materialize, we hope to be able to take some of our NCSBS students and other willing members of this congregation to help in efforts to reach out and make contacts in that community.

As we have already set our budget for 2011, one way for us to meet this financial need is to set aside the contribution for the fifth Sunday in January (January 30) to be used in this effort or for other mission work if this work should not materialize. Please think and pray about the possibilities for this good work as you plan for your contribution for January 30.

CONGREGATIONAL MEETING

The elders will present the Work Plan and Budget for 2011 to the congregation on Sunday evening, January 23rd.

We will also begin the process of selecting more elders and deacons. We encourage everyone to be present for this meeting.

Please Remember In Your Prayers:

Don Richards is still not doing well. His condition remains about the same in that he is quite weak and somewhat dizzy.

Wayne Hutchins will enter Medical Park Hospital on Feb. 3rd. to undergo laparoscopic surgery to removed a portion of his colon. The surgery is to prevent further problems with colon infection. He will be in the hospital 3-4 days. It is recommended by the doctors that he stay away from large groups of people in order to prevent any infections before surgery.

Cathy Hutchins fell recently and is having problems with her back at this time.

Several have been reported ill this past week: **Lutrelle Chipman, Jane Shepard, and Sherrill Stewart.**

It was reported that **Debbie Nuckols** member at N. Main in Mocksville, has cancer in her lungs.

Mildred Barker is doing well in her healing process from MRSA. (see thank you note below from her family).

Tammy Simmons, Bonnie Landreth's daughter's address is 333 Friendly Acres Lane, W-S, NC 27107.

An up-dated copy of the prayer list may be picked up on the credenza in the foyer. If you know of someone who needs to come off the prayer list, please let Faye know.

Thank You!

Don and I would like to thank everyone at Warners Chapel for their continued support in prayer, cards, visits, and well-wishes for Mildred. Her leg wound continues to heal despite the severity and seriousness of the infection. The doctors can find no reason for her not walking after the fall on Dec. 21st. However, she is engaged in physical therapy to try to prod her along. Again, thanks for everything.
