A CORDIAL WELCOME AWAITS YOU

FEBRUARY 7, 2010

News, News, News!

We have two new students with us this quarter. They are Samuel Page and Calvin Salters. They are both from the Durham area and are going to be with us for five classes this quarter. They are not able to take Greek since they have not had the two previous quarters of Greek which are prerequisite. They are very excited and we are excited to have them.

Joe Everett and I are in Henderson, Tennessee today at the Freed-Hardeman Annual Lectureship to setup our School display. This is another way for us to advertise the school. To be there in person can make a great deal of difference in enabling men to see our excitement about the School. We took the students to the Lectures last year and we will take them every other year so that each student gets a chance to go to this great Lectureship. This also secures us a display space for each year as there is always a waiting list for display space. Imagine a large gymnasium with hundreds of tables and just enough room to walk between the rows and you will get an idea of the layout of the display area.

Pray for us while we travel and that our opportunities to attract men to train to preach the Gospel are successful.

—Paul

ELDERS CORNER:

Another letter from a graduate of ZSOBS stating his plans when he returns home.

Cedrick Samuseke is my name and I am from Northwestern Province, particularly Mufumbwe District in Maikulike Compound. From Livingstone to my home land the distance is approx. 1800 to 2000 kilometers. I'm a family man with one daughter. In our family we are seven, four are ladies and three are men and I am the number third. Mum and Dad separated when I was in grade six. I am responsible to look after mum, brothers and sisters. I finished my senior secondary education in 2003.

I have placed membership at Mufumbwe Central Church of Christ being run by two elders and three deacons.

Many don't support the idea of training preachers in our congregation and few support that. I will try the best I can to work with my congregation, then I will analyze the situation whether to go ahead or change. The current situation at hand is choirs, one cup doctrine, youth and women organizations. This is the battle I am going to face and I don't want any support from anybody because their money is hindering God's work to progress due to restriction they put on what to teach and not. Even when things are wrong, you will not speak out because of support.
