A CORDIAL WELCOME AWAITS YOU

August 31, 2008

GOD HAS BLESSED US

God has blessed us richly in the past year. Thirty one students have taken classes in the first year of the school's existence. Your financial sacrifices have been a great blessing to the church and the North Carolina School of Biblical Studies. One hundred percent of today's contribution will go toward student support. We help the majority of our students with financial support. Many congregations have to make important decisions regarding the weekly contribution. Leaders must make wise decisions so that those who follow them will continue to have confidence in them. Elders are entrusted with making decisions that can be critical to the church's financial stability. A church, like the rest of us, must be able to pay its' bills and obligations. We also insist that our students maintain this same character trait. I hope you will give this matter great consideration as you plan your giving for 2009.

We have many things to be thankful for in the upcoming year and the school needs your continued prayer and support.

Paul

ELDERS CORNER:

THANK YOU

The elders wish to thank the members of Warners Chapel Church of Christ and others for their sacrifice and generosity in supporting the students and their families attending the North Carolina School of Biblical Studies. To date, the more than \$70,000 in funds from contributions from some of the fifth Sundays, contributions from individuals, and support from other congregations has been distributed to our students for their living expenses, travel expenses, and books. Currently the balance in the fund is approximately \$27,500, much of which has already been designated by contributors for individual students. As you can see, it will be necessary for us to continue raising funds to help our students for them to continue their studies. One of the means of support will be continuing to use some of the fifth Sunday contributions for this purpose. Also, our preachers and others will continue to visit other congregations to spread the word about this important work, with hopes of recruiting students for future classes and finding support for them and their families.

Today is a fifth Sunday and the contribution will be placed in the Scholarship Fund. Please be aware of this as you make your contribution this Sunday. Also, if you are interested in helping a current or future student on a monthly or yearly basis, please let one of the elders know.

We would also like to express both the elders and the students appreciation for the many meals that many of you have helped to provide for our students on Tuesdays and Thursdays. If you are not participating in helping with these meals and would like to help, please let Carolyn Plunk or Jeannie Moore know.

Thank you again for your generosity and work in this and all other efforts of this congregation to spread the gospel.
