WHY WE BELIEVE IN GOD

1. We believe in God because Atheism, the only other alternative, cannot be proved.
2. We believe in God because it is reasonable to believe that the eternal existence is God--not matter.
3. We believe in God because the universe exhibits marks of intelligent causation.
4. We believe in God because the majority of scientific men and philosophers in all ages have believed in God.
5. We believe in God because of the abundance of evidence.
6. We believe in God because all the objections to believing in God lie with equal force against Atheism.
7. We believe in God because Atheism has insuperable difficulties of its own.
8. Intelligent causation and design is always associated with personality. God must, therefore, be a Personality, a divine Being. - - - George DeHoff.

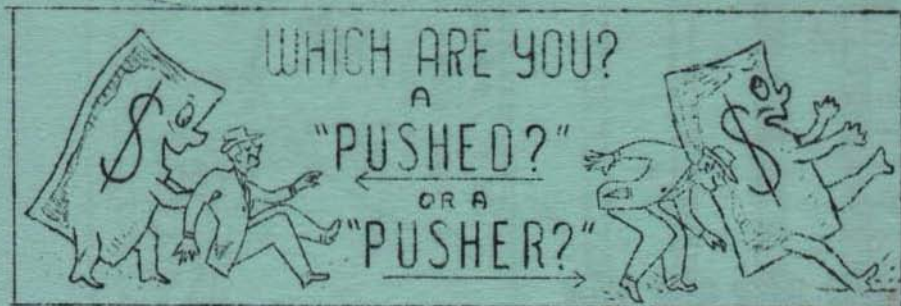

ANOTHER STEP
FORWARD
A
PREACHER'S
HOUSE

No, this is not the preacher's home. Warners Chapel leaders have seen the need of a new house. The second Sunday in January, a building fund was started and each succeeding second Sunday's contribution will be placed in that fund.

The leaders have laid the problem at the feet of the membership with this second Sunday proposal. Each of them has promised to do his part. Will you do yours?

Talk itself will not accomplish the job, but with your contribution it will. Give liberally, but whether great or small, give from the HEART.

LETS "PUSH"! LETS GIVE \$80.00 MARCH 9TH!!
