June 13-21, 1958

We must keep these dates in mind even though they are as yet pretty far off, for that is the time of our meeting. Brother Guy N. Woods of Memphis, Tennessee will be the speaker. All of you who are now making plans for your vacation, please plan to be here during that time. If you do not plan to take a trip during your vacation, here is something you might do: take it during this week so you can devote more time to the meeting. Some did that last year and enjoyed it very much.

SINGING SCHOOL

Our singing school started off in a very fine way Friday, January 17. Brother Bradley was pleased and all those who attended were enthused at the possibility of improving our congregational singing. There are now eight nights left for these classes. Let's all attend!

Brother Warner in Hospital

Brother A. P. Warner was committed to City Hospital Wednesday afternoon for an operation. Our prayers are with him.

Colds and Flu

We have noticed that a number of us have been suffering with colds and the flu lately. None are in serious condition, but it has caused some to miss services.

"I would leave him."

Ladies, what would you think if this happened to you? Say your husband was in the habit of leaving home for three or four weeks at a time for no reason at all, and to top that off- not even to support his own family! Then when he returned, offered no explanation or apology for his actions, and act as though he had done nothing. Some of you probably are saying, "Why I would leave him!"

All of us think that that would be bad. Yet, there are members of the church here who are doing the very same thing! They habitually miss the services of the church and fail to contribute to its work for two, three or four weeks at a time, then come back with no explanations or apologies- acting as though nothing were wrong. Brethren, this ought not to be. When we commit public sin, we need to confess it just as publicly.
