Short Stature: "Using Our Abilities To Be Useful To God"

If Hollywood ever decided to make a movie about Zacchaeus, I'm sure Danny Devito would be a shoe-in for the lead role. He's perfect. Think about it.

Usually the first thought we have about Zacchaeus is his small stature. Zacchaeus was vertically challenged. Devito certainly fits that category.

Secondly, Zacchaeus was rich. Devito can easily play that role.

Third, Zacchaeus was corrupt.

How do we know that? He was a tax collector. Not just a tax collector, mind you, but a chief tax collector. Now, think of some of the characters Devito has played: short, wealthy, conniving and corrupt. A perfect fit.

But his small stature created a problem. He couldn't see over the towering crowd. Imagine Danny Devito hopping up and down trying to get a glimpse of Jesus? Can you see the crowd pushing and shoving him like a human pinball? Can you see him pushing back, shouting at them, but to no avail?

Have you ever had to defend your faith? Do you sometimes feel inadequate? Have you ever been laughed at because you stood up for your beliefs? It hurts, doesn't it?

How do you think David felt when he went up against Goliath?" Goliath was 9 feet tall. No matter how small David was, God made up the difference.

Help us out this summer. We need you and want you to be part of the work of this ch...Oh by the way what's missing from that word? U...R.

ELDERS CORNER:

THE SAFEST PLACE

Have you heard the news? Those interested in increasing their chances for long life, are being told:

- **Do not ride in an automobile or get in the way of one —they cause 20% of all fatal accidents.**
- **Do not stay at home — 17% of all accidents happen in the home.**
- **Do not walk on the street — 14% of all accidents occur to pedestrians.**
- **Do not travel by air, rail or water — 6% of all accidents happen in these places.**
- **Only .0001% of all deaths occur at worship (physical disorders such as heart attacks.)**

So obviously, the safest place in the world is at worship. Be on the safe side, be at church services every Sunday morning, Sunday evening, and Wednesday evening. It might save your life — not to mention your soul.
