## **"The Removal of Dread"**

Can you remember as a child doing something wrong and then dreading your mother and father finding out about it? That thought may have even produced tears as you contemplated their displeasure over learning what you had done. You may have thought they wouldn't love you anymore. "How could they?" You may have asked yourself. But then came the overwhelming relief and joy of finding out that, in spite of the punishment the so-called "crime" might have deserved, your parents still loved you.

How typical this is of the love of God. He loves us in spite of our sins. It was for our sins that He gave His only Son to die in our place. But God does require that we turn away from the practice of sin and give Him the best we can give in a loving obedience to his will. That includes the alien sinner as well as the erring Christian.

We can't live just as we please and be pleasing to God. Want to remove the dread from your life? Come learn how at the Warners Chapel church of Christ.

## Let's Return

"The B-I-B-L-E,  
Yes that's the Book for me,  
I stand alone  
On the word of God,  
The B-I-B-L-E."

Remember singing this  
When you were just a kid?  
Perhaps it's just for children;  
Really? God forbid!

We say that we believe  
That God inspired men to write;  
As a youngster we would memorize  
And enjoyed to recite.

I remember folks in church  
With their Bibles on their lap,  
Paying attention, taking notes,  
To their lives it was a map.

From the church's parking lot  
They're walking hand-in-hand,  
But I don't see a Bible,  
Have they all be banned?

"I let my wife bring one,  
"I'll look on with her;  
"She is the religious one,  
"To her I do defer."

"I don't need my Bible,  
"They put the words up on the screen  
"Or it's printed in the sermon notes  
"Which I think is kinda keen."

"My i-pod is the answer,  
Don't need my Bible anymore.  
My Bible is too heavy  
"To carry is a chore."

But oh the feel of paper  
And a special, familiar smell;  
You can tell by the worn pages  
The scriptures I knew well.

And when sharing special passages  
To a person who's in need,  
I can carefully turn the pages,  
He can look on as I read

And I haven't even mentioned,  
In the margin I've made notes  
Of valuable cross references  
Or perhaps a favorite quote.

Let's restore our love once more,  
To His Word again discover,  
Take it down from the shelf,  
It doesn't have a dust proof cover!

Scripture: "How I love your laws!  
How I enjoy Your commands!  
'Come to me,' I call to them, for I love  
them and will let them fill my life."  
*Psalms 119:47-48*

Final Thought: "The Bible is a book  
that has been read more and examined  
less than any book that ever existed."  
Thomas Paine
