“The Real Facts”

Abraham Lincoln once said, “I’m a firm believer in the people. If given the truth, they can be depended on to meet any national crisis. The great point is to bring them the real facts.” That statement reminds me of the tragedy concerning truth that exists in the religious world today.

The world is divided religiously because so many religious leaders have missed “the great point,” as Lincoln called it, the real facts of the gospel of Christ. They have confused the minds of so many people by perpetrating their own creeds and traditions instead of the pure word of God.

The Bible is not responsible for the diverse doctrines of our day. Man must take full responsibility. The only way to avoid being confused by men is to compare all that is taught in religion to the Word of God. It is the final deposit of the “real facts” concerning salvation, Christian living, and eternal life.

*The Bible says, “**God is not the author of confusion.**” 1 Corinthians 14:33. Read and study your Bible, and get “the real facts.”*

ELDERS CORNER:

“THE MOST PRICELESS POSSESSION OF THE HUMAN RACE”

This is found at the beginning of *Halley's Bible Handbook*, written by Henry H. Halley in 1962. He continues:

Everybody ought to love the Bible. Everybody ought to read the Bible. Everybody. It is God's Word. It holds the solution of life. It tells about the best friend mankind ever had, the Noblest, Kindest, Truest Man that ever trod this earth.

It is the most beautiful story ever told. It is the best guide to human conduct ever known. It gives a meaning and a glow, and a joy, and a victory, and a destiny, and a glory, to life elsewhere unknown. There is nothing in history, or in literature, that in any wise compares with the simple annals of the Man of Galilee, who spent His days and night ministering to the suffering, teaching human kindness, dying for human sin, rising to life that shall never end, and promising eternal security and eternal happiness to all who will come to Him.

Most people, in their serious moods, must have some wonderment in their minds as to how things are going to stack up when the end comes. Laugh it off, toss it aside, as we may, *that day will come*. And then what? Well, it is the Bible that has the answer. And an unmistakable answer it is. There is a God. There is a Heaven. There is a Hell. There is a Savior. There will be a Day of Judgment. Happy is the man, who, in the days of his flesh, makes his peace with Christ of the Bible, and gets himself ready for the final take-off.
