## ***“WALKING BY FAITH”***

*Walking by faith means that we are actively seeking to do the will of our Heavenly Father. While it is true that we are all “unprofitable servants”, it remains true that we must work the works of Him who sent us. We readily see that works of obedience must be done in order to become a Christian. Yet we often see that many Christians wrongly conclude that after those works are done it’s time to retire.*

*We are created for good works; we’re told that we must let men see our good works so that God may be glorified. We’re commanded to work until our Master returns. We also understand that faith without works is dead. If that is true, and it is, then it must logically follow that works without faith is also dead.*

*Does this mean that our works earn us a place in heaven? No, it does not. As we noted before, we are all unprofitable servants. How, then, do our works equate with walking by faith? Abraham didn’t know how God would raise Isaac from the dead, but he reasoned that because God promised that through him the world would be blessed, Abraham, through faith, offered up his only son.*

*God has promised that our labors will not be in vain. He has told us to be faithful unto death and He will give us the crown of life. Join us, as seek to walk by faith and not by sight.*

## ELDERS CORNER:

### YOU HAVE MADE NCSBS POSSIBLE

Without the support of the members of Warners Chapel Church of Christ, we could not have graduated our first class of students, and we now have another group on the way to achieving this goal. Your support is evident through your encouraging words to our students and prayers that are prayed remembering all the efforts of our students and faculty.

There have been so many who have helped in so many ways. Many of you have given sacrificially of your financial means so our students could support themselves and their families while they prepare themselves to preach the gospel. In addition many have helped prepare meals which have been greatly appreciated and enjoyed by students and staff as well. Others have helped by providing clerical, accounting, and secretarial help. Also, many have donated books furniture and equipment for the school to use.

The elders have designated that the fifth Sunday contribution on January 31 will be given to the scholarship fund. As this important work continues, the need for this fund to be replenished continues as well. Please consider this need as you plan your contribution for that Sunday.

Also, Paul Kirkpatrick and Joe Everett will be taking our school display to the Freed-Hardeman Lectureship in February to help make others aware of the school here. While they are there there will be opportunities to purchase more books for the library from vendors there. If you would like to contribute to this effort you can place that contribution in an envelope with library fund on the envelope and place in the contribution during the month of January.

#### **Matthew 28:19-20**

Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, [even] to the end of the age."

**Thanks again for all you do to meet the command in the verses above**
