A CORDIAL WELCOME AWAITS YOU

“PURITY”

What is purity? You can find all kinds of definitions for it, but maybe it's something that's easier to illustrate than to define. For example, A dictionary will tell you it's the state of being pure. Okay, so what does pure mean? The first definition is : “free from adulterating or extraneous matter.” So let's take the next step, what is purity to the Christian?

*The word, “pure” shares its root with the word “holy.” It is associated with other things in Phil.4:8, “... **whatever things are true, ... noble, ... just, ... pure, ...lovely, ... good report, ... virtue, ... praiseworthy,...**” This gives us a pretty good idea of what purity involves. The Christian is to work at having a pure heart, living a pure life, practicing pure religion, having pure speech. You might think of some other things that fit into this category.*

The question then Is this, “How pure is your life?” No one can answer that question for you, but one day you will be asked to give an answer to that question. Can you be perfectly pure? No, but does that mean you can't strive to be purer? In today's fast-paced, do-what- you- like- world, purity doesn't seem to matter all that much. If you want to stand out from all that is wrong with the world, try your best to live the pure life that Christ invites you to live.

Welcome Youth Rally Participants

It is our hope that this rally has been a learning experience that has been both edifying and enjoyable for you. It certainly has been all of this and more for our congregation. Assuming it has been the same for you, we would like for you to be our ambassadors by advertising our annual rally every opportunity that you have throughout the coming year.

Not only do we appreciate all of the young people who attended this year's rally, but we want to thank all of the adults who made it possible for the young people to be present. With next year's rally in mind, we would like to have your input relative to how we can make it even better than this year's rally. Probably the easiest way would be via our website, but if that is not possible for you, let us know by phone or mail.

We pray that you will have a safe trip home and don't forget to remember our congregation in your prayers. We desire the prayers of our brothers and sisters in Christ that we might be able to serve our Lord more effectively in the future than we have in the past. We will strive to keep you in our prayers as you return to your home congregation. May God bless your every effort to faithfully serve Him.
