A CORDIAL WELCOME AWAITS YOU

“Gracious Giving”

There are many ways a person can give to others. A person give time, money, action, encouragement and love. When the elders of a congregation ask for support from that congregation and the congregation responds positively, there can be several responses. As the Macedonians responded to a financial deed, so this congregation has responded with the “fifth Sunday” contribution. The money is needed; rarely is the time when it isn’t. But the wallet is not where gracious giving comes from.

Gracious giving comes from the heart. Paul wrote of the church in Macedonia, “Moreover brethren, we make known to you the grace of God bestowed on the churches of Macedonia, that in a great trial of affliction the abundance of their joy and their deep poverty abounded in the riches of their liberality. ... And not only as we had hoped, but they first gave themselves to the Lord, and then to us by the will of God.” 2 Corinthians 8:1,2,5.

No, we as a congregation are not poor . But like the churches in Macedonia, we have given graciously and abundantly. Helping to train men to be gospel preachers is a way of giving time, money, action, encouragement and love. On behalf of the North Carolina School of Biblical Studies: Thank you, for your gracious giving.

WELCOME YOUTH RALLY PARTICIPANTS

Theme: COPS “Confess Or Prepare Sinner”

“What are you going to do when He comes for you?”

Romans 14:11-12

It is our hope that this rally has been a learning experience that has been both edifying and enjoyable for you. It certainly has been all of this and more for our congregation. Assuming it has been the same for you, we would like for you to be our ambassadors by advertising our annual rally every opportunity that you have throughout the coming year.

Not only do we appreciate all of the young people who attended this year's rally, but we want to thank all of the adults who made it possible for the young people to be present. With next year's rally in mind, we would like to have your input relative to how we can make it even better than this year's rally. Probably the easiest way would be via our website, but if that is not possible for you, let us know by phone or mail.

We pray that you will have safe trip home and don't forget to remember our congregation in your prayers. We desire the prayers of our brothers and sisters in Christ that we might be able to serve our Lord more effectively in the future than we have in the past. We will strive to keep you in our prayers as you return to your home congregation. May God bless your every effort to faithfully serve Him.
