*“The churches of Christ salute you” Rm 16:16*

## Don't Be Conformed!

We live in a society that is trying to force us into its mold. They are bombarding us with their thoughts, ideas, and what they want us to accept everywhere around us. They are placing it on TV, billboards, stores, restaurants, social media, etc. But what is our response needing to be as Christians? Do we stand by and just accept what they are trying to force upon us or do we do something else?

In the Bible, we are instructed *“And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God” (Rom. 12:2)*. This means that we are to resist those things that are against God and NOT be molded into their mold. We have to remind ourselves that we are made to PROVE what is that good, acceptable, and perfect will of God. We do this by making an application of the word of God to our lives and showing the world what the word of God says. But to do this, we must first transform our minds to what is the Higher standard and not the world's. We do this by renewing our minds. This means that we have to take our minds from the way that we have always thought and CHANGE them to another, LEARNED, condition. This will not happen by chance, but takes energy and effort to accomplish. We have to read our Bibles, take advantage of Bible Classes, and invest more time in sound spiritual materials to frame our minds to the way that God would have them to be. Just because we are surrounded by all of these influences, does not mean that we have to give in. We must be reminded that if we do cave into their mold, we will receive the same punishment that they, themselves, will receive.

### *Romans 1:32*

*“who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same but also approve of those who practice them.”*
