Free Tickets to the Fair!

This past weekend, we attended the Tennessee Valley Fair in Knoxville with a couple friends. As we were leaving the fair and returning to our car, we noticed that there was a long line of people who were in line to purchase entry tickets to the fair. My friend happened to have a few unused, extra tickets, so he went over to this long line of people and said, "I'll give anyone standing here two free tickets into the fair if you can tell me how many books there are in the Bible." The answers started pouring in, "2!" "4!" "16!" "33!" "50!" The guesses continued for quite some time. However, no one in that long line of people could tell my friend how many books were in the Bible. It wasn't like he asked them to name of the books of the Bible, just give the number of books. No one could do it. He asked a couple other questions that no one could answer either. He finally gave the tickets away by "dumbing down" his questions to "What is the first book of the Bible," and "Who wrote the book of Luke."

I guess I shouldn't have been surprised, but I was. Since then, this incident has caused me to consider that some day we will all stand before God and have to give an answer in order to obtain something of much greater value than just entrance into the fair. Friends, how prepared will you be to give an answer then?

ELDERS CORNER:

WORDS OF THANKS FROM ALFONSO SMITH

By this means I would like to express in behalf of the congregations , preachers and every individual Christian in the province of Bocas del Toro, Panama, our most sentiment of gratitude to the congregations in the U.S.A. such as East Ridge Church of Christ and Warners Chapel Church of Christ, for supporting the work in Panama for over 10 years. Your money has not gone in vain. Since we've been working together, many souls have heard the Gospel and there are 450 members distributed in 10 different congregations in the different islands, and five church buildings have been constructed. The work is growing and we need to put more buildings. If it was not for your love and concern for the Lord and your financial support we would have not accomplished this goal. We are always working and praying the Lord bless and also give us courage and determination to not give up and keep on working 'till when the Lord call us to His glory. Thanks and we encourage you to continue supporting the work in Panama for the honor and glory of the Lord,

in Jesus love,
ALFONSO.
