SERMONS

At the A.M. service Sunday the topic will be "WHAT IS THE CHURCH?"

Sunday evening the sermon will be on the subject of the Holy Spirit. It will be "THE HOLY SPIRIT A PERSON".

GOOD NEWS, A LIBRARY!

In the called business meeting last Sunday it was decided to start a church library. Ten dollars monthly will be spent on this project until April. At that time the subject will be reconsidered and other steps will be taken along this line.

As the name implies, this is for the use of the church. Any member has access to it. It will be located in the printing room until further announcement. If you desire to check out one of the books, see Bro. Johnson. If you have any books you would like to donate, see him also.

THE CHURCH OF CHRIST

The establishment of the church was an intentional incident in the history of the world. This fact may cross with the beliefs of some who receive this; yet it is a fact.

Those who hold this view are known as "Premillennialists". They claim that God intended to establish the kingdom immediately after the death of Christ, but as the Jews refused to accept Jesus, God had to change his plans and establish the Church instead. They, therefore, claim that Christ will descend the second time when the Jews will receive Him, reign with him a thousand years and then go to heaven with him forever. A more insulting charge has never been thrown against God!

If God had to change His plans in A.D. 33, how do we know he will not have to change his plan when Jesus comes the second time?

Do you want to place your faith in a God whose plans man can frustrate? I certainly do not! However this is the insinuation that those who are styled "Premillennialists" make against God.

Next week our article will be on the church in the prophecies. Will you not be with us then?
