## **Showing Partiality In Our Faith Text: James 2:1-13**

James begins this section by giving a direct command in the negative: DO NOT hold the faith of our Lord Jesus Christ, the Lord of glory, with partiality. The word partiality means “to receive the face” of someone or to accept his external appearance as the real thing and to make an evaluation on that basis (Baker Encyclopedia of the Bible). It is the action of looking at someone outwardly and judging how you are going to treat or act toward them based on that appearance. This can be like the text says, what they are wearing or how clean and smelling they are. But this goes a lot deeper as well. This can be a partiality based on skin color, heritage, culture, etc. It is being judgmental on ANY OUTWARDLY basis. We see this happening today by people looking down on other people solely based on race, color, income status, housing, etc. My friends, do we think that Jesus would look down on someone by these means? Absolutely not! This is the basis of why he says that we should not hold the FAITH of our Lord with partiality. The faith that we hold is that which is mirroring the Lord that we serve. It would be important to notice that James states that we “become judges with evil thoughts”. We are judges of evil thoughts because we are automatically using our thoughts as the judgment basis as well as having the heart of LOOKING DOWN on others.

Look at the logic that James uses in verses 5-7. He first speaks of God and what He has chosen. “He chose the poor of this world to be rich in faith and heirs of the kingdom which He promised to those who love Him”. God is the One who can choose whoever He wants for His will and to be the possessor of His inheritance.

(Continued on Page 2)

**WE DON'T CHOOSE THAT!** So with that being said, notice that they “have dishonored the poor man”. What God has chosen, when we show partiality, we shoot down or destroy rather than uplift the one who God chose. Then he goes on to state that the ones who they are lifting are the ones that “oppress you and drag you into courts..and blaspheme that noble name by which you are called.” They are uplifting the ones who are their enemies because they are enemies of Christ. We **MUST NOT** be distracted by the physical that we lose sight of the actual spiritual status of individuals!

In verses 8-12, James speaks of this royal law that we are all being held accountable to. The royal law is nothing more than the Law of Christ (Gal. 6:2). He states that this royal law was “according to the scripture, “You shall love your neighbor as yourself”. This is a direct reference to what Jesus preached in Mark 12:31. This is the second of the greatest commandments that Jesus said “hangs all the law and the prophets”. Now notice that he then states in verse 9, that “if we show partiality, you commit sin, and are convicted by the law as transgressors.” It is sin because it **DOES NOT MEET UP** with the law that Christ has established. There is no justification, reasoning, or any other thing that will make this type of treatment ok. We will **ALWAYS** stand **CONVICTED** if we fall into suit with this type of treatment. We are to “speak and so do as those who will be judged by the law of liberty.”

Notice how he ends this section, “For judgment is without mercy to the one who has shown no mercy.” The way that we treat others is the exact way that our Lord will treat us in the Judgment. So would we like for the Lord to treat us in the way that we treat others in partiality? If not, then how do we change it? “Mercy triumphs over judgment.” We must be merciful if we ever want to be given mercy on the day of Judgment. Change the way that we treat others and show the same love, grace, and mercy to everyone!
