“The Right Antidote to Life’s Adversities”

*Some folks have the mistaken idea that Christians are automatically immunized from adversity of any kind. Some have said that if you have trials and hardships, that God is missing from your life. But since the beginning of time heroes of faith have had to deal with adversity of every kind. This includes men like Abraham, Moses, Daniel, Peter, Paul and others. Most of us have been thrust into the lion’s den of adversity and had to come to grips with it and face it head on. Paul wrote, “**Be not overcome with evil, but overcome evil with good. Romans 12:21.** That’s not always such an easy thing to do.*

*However, the writer of Proverbs wrote, “**Trust in the Lord with all thine heart; and lean not on thy own understanding.” Proverbs 3:5.** How do we do that? We do that by prayer, Bible study, and trust in God. At the same time there is also strength derived from family, friends, and fellow Christians.*

No, the Christian isn’t immune to the adversities of life; but he does have the right antidote for them. Perhaps you need to acquire that antidote to face your adversities. Why not worship with us at the Warner’s Chapel church of Christ and learn about the right antidote to life’s adversities?

ELDERS CORNER:

Floral Arrangements

In the past, artificial floral arrangements for the auditorium have been provided by members of the congregation. We would like to take this opportunity to express our appreciation to those who have contributed to this effort. However, the arrangements have accumulated to the point that we've run out of storage space. Since the arrangements were expensive and many of them were memorials, you may want to reclaim the ones you provided.

If you wish to reclaim your arrangements, please do so by Sunday July 26, 2009. After this three week period, the remaining arrangements will be donated to Goodwill or disposed of in some other manner. For your convenience, they have been relocated from the various rooms and closets to the table in the old activity room.

In the future, it is requested that memorials be made using live flowers instead of artificial ones in order to reserve the limited storage space for other needs. Your cooperation in this matter will be greatly appreciated.
