THIS YEAR

It is at this time of year that we make - - - and break resolutions. Most people seem to get more joy out of breaking than keeping them.

We, here at Warners Chapel, have done a great amount of good this last year. We should be proud of our accomplishments. However, we must not be proud of them to the extent that we blind our eyes to our responsibilities.

1948 is here! What are we going to do with it? We are to begin building the preacher's home soon; we can, if we will have it paid for when the preacher moves in. There are thousands of people in our own state and county who have never heard the pure gospel; here, too, is an opportunity for us. In a word, our opportunities are unlimited.

I could have done more in '47; most probably you could have too. So, let us all say, "WE WILL do more in 1948!"

FOURTH YEAR

With this issue the fourth volume of our bulletin begins. We, the staff, who get it out from week to week hope you have enjoyed reading it.

It hasn't been all fun. Some nights it would be midnight before we left the building. It has been fun though and seeing you reach for them on Sunday morning

is worth all our effort. We hope you will enjoy it even more this year.

- - - The Staff.

BUILDING FUND

The bldg. fund was begun the second Sunday in Jan. 1947. This procedure was followed throughout the year of 1947, the 5th Sunday of November being added.

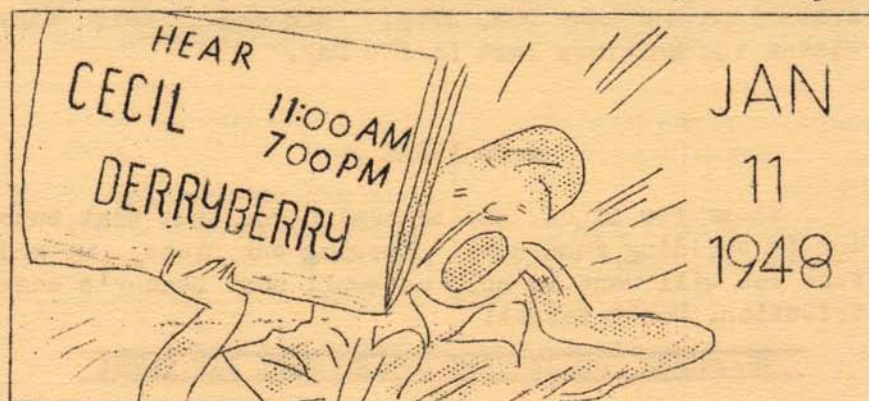

Contribution of the Congregation 1947-----	\$1045.45
Contributed by individual member-----	300.00
Total contributed 1947-----	\$1345.45
Expended for lot (1 acre) -----	400.00
Balance on hand as of January 1, 1948 ----	\$ 945.45

BAPTISM

The congregation rejoiced to see Glenn Elam make the Good Confession and be "baptized the same hour of the night" Sunday night before last. We wish for him a life of service in the Master's Vineyard.

SIGNS OF PROGRESS

You probably have noticed that the lot in front of the meeting house is taking on a new look. This cleaning off is just another step in the securing of a home for the preacher. Uncle Will is doing a fine job!

A BIT OF NEWS

Herbert Harper returned to Nashville, Tennessee yesterday to register for the winter quarter at David Lipscomb. We hear he took a diamond back with him!

Evola, Joanne, and Mary Harper returned from Bradenton, Fla. last Wednesday. They reported a very enjoyable visit. The Johnsons returned from their trip late Tuesday evening.

Thanks to Francis Kinel for the fine lesson he presented last Lord's Day morning.

CORRECTION

In the financial report in the Dec. 21st issue of the bulletin an omission was made in the contributions. Although the total in this column was correct, the personal contribution of W.H. Watkins was overlooked. Our apologies to all concerned.

OUR SYMPATHY

To Bros. Parks and Furches Messick. Their half-brother passed away Dec. 27th. Because of this they missed the services last Lord's Day.

A REMINDER

These few lines are to remind you that next Sunday is building fund day. Knowing our plans, we are sure you will want to help us swell next Sunday's contribution. Don't forget!

REMEMBER, DELRYBERRY SPEAKS HERE JAN. 11TH!
