"Overcome evil with good" (Romans 12:21):  
the only way to overcome evil. To try to  
correct evil with evil is like painting a  
black surface with black paint--when you  
get through it is still black.

## News and Notes

We have been greatly encouraged by the presence of many visitors from other states and also our own immediate neighbors.....Many of our members have been missed due to vacation trips. The Homer Warner's recently visited Mrs. McRee who was formerly Miss Clara Warner of this community. She is much interested in many who will read this.....The young men who would like a class to better prepare themselves for public service should make it known to the Elders as to the best date to begin.....Brother Winston Tynes has a new book just off the press entitled, "What It Means To Be A Christian." May I suggest that a copy of this book would make an excellent Christmas gift. Brother Tynes has sent several copies of his work to Bro. J.W. Warner and you may obtain one from him..... Miss Eva Nell Harper and Mr. George Herbert Siddon request your presence at their marriage Wednesday, September 23rd, 7 P.M. at Warners Chapel.....

Three things to govern--temper, tongue and conduct.

Three things to cultivate--courage, affection and gentleness.

Three things to dispise--cruelty, arrogance and ingratitude.

Three things to command--industry, thrift and promptness.

Three things to work for--health, friends and contentment.

Three things to give--aid to the needy, comfort to the sad and heart to God.

We must come to Christ before we can go forth for Christ.

Christ built HIS church and no others. This church was purchased by His blood (Acts 20: 28) and is that body which will be saved (Eph. 5:23). Jesus said, "He that believeth and is baptized shall be saved" (Mark 16:16). The saved, He adds to this church (Acts 2:47). We, as members of the Lord's church, want all people to be members of this church. Investigate the church of Christ. It is the only religious organization on earth that exists by divine authority.
