## THE “HOLY SEE” OF ROME

You might not have ever heard this term but Catholics are very familiar with it. The term, “Holy See,” refers to the government of the Roman Catholic Church. Ambassadors are not Vatican City ambassadors, but are Ambassadors to the Holy See.

The Holy See has a new leader or Bishop. He is also known as the Pope. Now I know that a new Pope is a big deal news-wise, but there seems to be an overwhelming attraction to this new Pope. Maybe it’s because there are over a billion Catholics in the world. Maybe because the last Pope was the first Pope in 600 years to retire [the mode of succession is usually death]. Who knows?

Although the Bible speaks nothing about the Roman Catholic Church, its adherents believe that there is a direct lineage from Peter to the current Pope. This claim of theirs is commonly called “Apostolic Succession.” Again, Scripture says nothing about Peter being the first Pope nor does he fit the criteria for Popes today. Matthew states, *And when Jesus was come into Peter's house, he saw his wife's mother laid, and sick of a fever. (Matthew 8:14)*. Peter was married! If Peter was, as they claim, the first Pope, why didn’t Peter live a celibate life? Celibacy is a difficult lifestyle. It may very well be that this lifestyle, forced on their clergy and Nuns, has contributed to scandalous fornication and child molestation that plagues the reputation of the Roman Catholic Church. There is hope that the new Pope will address and correct these tragedies.

Television journalists have been covering the selection process of the new Pope. They report that the College of Cardinals elects the Pope by secret ballot that is guided by the Holy Spirit. If the Holy Spirit guides the selection, why does it take more than one round of balloting? Holy See? I don’t see.

Paul

## ELDERS CORNER:

Matthew closed the book he wrote by inspiration with these familiar words:

***Mat 28:19: Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:***

***Mat 28:20: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen.***

Mark near the end of his book also wrote these familiar words:

***Mar 16:15: And he said unto them, Go ye into all the world, and preach the gospel to every creature.***

***Mar 16:16: He that believeth and is baptized shall be saved; but he that believeth not shall be damned.***

### Go Ye means Go Me

The elders have asked Steve Martin to organize an outreach program to contact the people around our building in Clemmons and Lewisville through an organized door knocking program. We have done this before with little visible success, but this should not discourage us from trying it again with a little more concentrated effort.

A plan has been drawn up and is almost ready to go. We invite those interested and those that might be interested to attend a class on Wednesday night for the next couple of weeks or longer if necessary to learn how it will work. You may attend without any up front commitment. You can decide later if you will participate. We also need some that might not be able to walk, but have secretarial skills. We hope everyone who can will be involved in some way.

### ARE YOU AN ACTIVE MEMBER?

Are you an active member,  
The kind who would be missed,  
Or are you just contented  
That your name is on the list?

There's quite a program scheduled  
That means success, if done  
And it can be accomplished  
With the help of everyone.

Do you attend the meetings,  
And mingle with the crowd,  
Or do you stay at home  
And complain both long and loud?

So attend the meetings regularly  
And help with hand and heart,  
Don't be just a member,  
But take an active part.

Do you take as active part  
To help the church along,  
Or are you satisfied to be  
The kind that just belongs?

Think it over, member,  
Are we right or are we wrong?  
Are you an active member  
Or do you just belong?

Do you ever go to visit  
A member who is sick  
Or leave the work for just a few  
And talk about the "clique"?
