A CORDIAL WELCOME AWAITS YOU

September 25, 2011

“GOD, GIVE ME AN UNDERSTANDING HEART”

Help me learn to say, “Well, I forget sometimes too.” Instead of, “She’s getting a little old.” Help me to be patient and say, “Well, they have a lot on them.” Instead of, “I can’t believe how I’m being neglected.” Help me to say, “I’m glad their busy and working hard.” Instead of, “I can’t believe they’re late, why can’t they be more considerate?” Help me to say, “We all make mistakes.” Instead of “I can’t believe they did that, what were they thinking of?” Help me to think of others before myself. Help me to treat others like I like to be treated. Help me to be, and thus help me to become. Help me to be patient with others as I want them to be with me. Help me to leave my children a legacy of love and truth. Help me to seek unity among Your people. Help me to be more like you.

These words were originally written by Dale Jenkins. The thought in this little passage are drawn from the Scriptures. As you read them (a second time) how many Scriptures can you think of that teach these very things? If you are looking for something to read, try looking up Bible verses that relate to the thoughts and statements from the above paragraph. While you are doing that you might pray, “Lord, give me an understanding heart.”

— Frank

Elders Corner:

THIS I HAVE LEARNED ABOUT LIFE

- ◇ I have learned that you cannot make someone love you. All you can do is try to be someone who is not difficult to love.
- ◇ I have learned that sometimes it takes years to build up trust, but only seconds to destroy trust.
- ◇ I have learned that it's not what you have in life, but who you have in your life that counts.
- ◇ I have learned that you can do something in a few minutes that will give you heartache for life.
- ◇ I have learned that you are responsible for what you do, no matter how you feel.
- ◇ I have learned that you are in control of your attitude. You choose your attitude!
- ◇ I have learned that heroes (the really great people of this world) are the people who do what has to be done, regardless of how they feel, and regardless of the consequences.
- ◇ I have learned that maturity has more to do with attitude, dependability, and taking responsibility for your life than the number of birthdays you have had.
- ◇ I have learned that no matter how good a friend is, you are going to hurt each other every once in a while, and forgiveness is essential to lasting friendships.
- ◇ I have learned that forgiving others is sometimes easier than forgiving yourself.
