GREAT EVENTS COMING!

Let's get excited about the wonderful opportunities coming our way over the next few months. The elders have invited some tremendous guest speakers who will encourage and strengthen each of us. Let us all be determined to attend as many sessions of as many of these events as we possibly can! Let's be prepared to love one another, serve one another, support one another, and work together in unity to promote the wonderful Gospel of peace through these upcoming events!

We can look forward to our VBS over the course of five consecutive Wednesday nights, beginning July 14th. Today, there will be a meeting for all those interested in teaching. This meeting will be held up front following the morning services. The material has arrived and teachers can begin making plans for their classes. We will be using the Apologetics Press material on the Flood that has been designed for use as VBS material. Teachers will have teaching manuals and a number of large posters for their classrooms. All students, except the adult class, will have their own workbooks as well. I am in the process of going through the material now and it looks excellent! This will be a wonderful study for us!

Additionally, we will have guest speakers for the adult classes including Lonnie Smith, Matt Langfield, Larry Fife, and Jeff Greene. The adult class will be studying the same theme and topic as the children's classes, so this is an event for everyone of every age. You cannot be too old or too young for our VBS! Let's support this effort with our attendance, and by inviting friends and neighbors to join us!

August will be the first month of fall semester for the revived North Carolina School of Biblical Studies. We have two students signed up at this time and Mike has his teachers lined up and ready. Let's all get excited about the revival of the school and support it in ways that will help it continue to grow and develop!

(Continued on Page 2)

September 12-15 will be the dates for our Evangelism Seminar with Rob Whitacre. Rob spends his time training congregations to be more effective in personal evangelism, and has made numerous mission trips to Jamaica. He has also produced a series of videos for World Video Bible School on Personal Evangelism. We look forward to an infusion of enthusiasm for evangelism. Please attend every session!

November 7-10 will be our Gospel Meeting with BJ Clarke. He is the director of the Foundations Youth Program as well as the Memphis School of Preaching. This will be an opportunity for us to invite people from the community to come and hear a guest speaker who preaches the fundamentals of the Gospel in a powerful and effective manner. As the time approaches let us get fully behind this effort with a determination to attend every service, and invite others to attend as well!

December 3rd - 5th, Eric Lyons from Apologetics Press will be with us. Eric serves as a member of the Bible Department at Apologetics Press and is both an elder and a minister in the Wetumpka church of Christ. He has authored or co-authored more than a dozen books, and writes regularly for the Apologetics Press website. We look forward to having him here because of the effective way in which he delivers the truth regarding fundamental and critical matters related to our faith. Plan to invite as many people as possible to this event and to attend every session!

Additionally, Mike and Kevin will be sharing the preaching and teaching duties throughout the summer and fall so you can expect a good amount of variety. This is a great time for the Warners Chapel church of Christ to rise up out of the ashes of 2020 and serve the Lord in powerful ways in 2021. God is blessing the church here through a number of different avenues this year. It's a great time to be a part of the Warners Chapel church of Christ! We are glad you are on board. Now, let's get excited and get to work! Let's see what great things God to do through us and to His Glory!
