THE THINGS THAT COUNT

It is not for the greatest things we've done,
 That we're loved and respected most,
 But the little things in our daily life
 And how we stick to our post.

It is not the loudest applause we get
 When we've reached a certain goal,
 But the word of cheer, when we need it most,
 That reaches our very soul.

It is not the times that we go to church
 And in public often pray,
 But the love of God and His precious Word,
 That we practice day by day.

It is not the name that was handed down
 By those who have gone before
 But what we do with our very own
 That counts, with Him, much more.

It is not the number of years, that count
 As they pass with every minute,
 But the faith we keep, and the life we live
 And just what we put in it.

"God is a Spirit: and they that worship Him
 must worship Him in spirit and in truth."

JOHN 4:24

S P I R I T U A L G R O W T H

When we look around us and see people who have been in the church for years, yet have never grown any spiritually, we wonder what is wrong. We know that if a child's physical body should cease to grow every effort would be made to consult the most skilled physicians; the cause would be found and the cure administered. Yet every day we see Christians whose spiritual growth is at a standstill. Many of us are prone to think that it is sufficient to learn enough about the gospel to complete our obedience and be added to the church. We also need to know how to live in the church and again the scriptures are our guide. We are to "Study, to shew ourselves approved unto God, workmen that needeth not to be ashamed, handling aright the word of truth." If we study the Bible prayerfully and diligently, "We will ever be ready to give a reason for the hope that lieth in us."

We are told in the scriptures to "grow in the grace and knowledge of our Lord Jesus Christ." It might be well for us to ask ourselves the question--Am I growing in the grace and knowledge of the Lord Jesus Christ? If we aren't learning more of the Master's will as we travel along life's pathway, then we are falling short of our duty. Let us resolve to study the scriptures every day and watch a steady spiritual growth in our homes and in our congregation.
