LIFE'S TRUE FOUNDATION

What manner of house are you building today
And what are the tools that you use
Have you gone below sand a foundation to lay
Are you building to win or to lose?

Are you building a structure of peace and
content

Or one of dishonor and sorrow?

For the house built today, with the time you
have spent

Is the one you must dwell in tomorrow.

Will the house you are building, be able to
stand

The storms of this world's tribulations?

Have you laid its foundation on rock or on
sand

Will it weather the storms of temptations?

Oh my friend build your house, on the rock of
true love

Not of self, lest by chance you might stray

But of GOD our Creator in Heaven above

Unto whom we owe life day by day.

---Charles Thomas Jordan.

.....

Max Johnson of David Lipscomb College Nashville, Tenn., preached to two large audiences at Warner's Chapel last Sunday. Bro. Johnson delivered fine discourses on "The Lord's Supper" and "The Great Judgment Day". Everyone expressed great appreciation for Bro. Johnson's visit. We believe Bro. Johnson could do a great work here, and would be a great help to the work of the Lord in this State. The church is growing and with more help the Lord's Kingdom will cover this State.

MID-WEEK

The weather on Wednesday night has improved and the attendance at mid-week services the past two weeks has been encouraging. We are expecting larger crowds as soon as some who are sick recover. Cooperation in the Devotional period is good and the programs are proving to be a real help to all those present, and especially to those taking part on the programs. WHY NOT COME WEDNESDAY NIGHT??
