A CORDIAL WELCOME AWAITS YOU

JANUARY 16. 2011

"I'M SICK"

How many times have you heard that lately? Frank and I have been taking turns with the cold virus that everyone seems to have or has had. If you haven't had this cold it is probably just a matter of time.

Doctors will tell you that this virus is a very communicable and contagious organism. Many have obtained the virus by touching someone who has the virus or being in close proximity to one that does. Staying away from those who are infected will definitely help to limit the spread of this debilitating illness.

I am reminded of illustrations that I have learned over the years that have compared sin to physical illness. Many times in public prayers we hear the prayer-leader say something like this: "Be with those who have been physically sick, but also with those who are spiritually sick." Sin is like the illness that is highly contagious. We come in contact with sin many times when we are around those who sin. One of the ways we can protect ourselves from sin [like the cold] is to stay away from those who are infected.

We should heed the commands of the Doctors concerning physical illness and also heed the commands of our Great Physician and avoid sin.

—Paul

ELDERS CORNER:

Recently we received a request from the Rockingham Church of Christ for help in supporting Dathan Bodie, one of the graduates of North Carolina School of Biblical Studies. Many of us got to know Dathan while he was a student here and know that he is a good man and dedicated gospel preacher. Rockingham is a small congregation that needs help in reaching out not only to the community there, but also to members of the church there who have over the years drifted away. Dathan has for the past several months been driving from Charlotte to Rockingham each Sunday to preach and do as much visiting and personal work as he can between the morning and evening services. We hope he and the congregation there are able to find enough financial support in addition to what we might be able to provide in order for him to be able to move there and work full time beginning in June when his son graduates from high school. Also, if this work does materialize, we hope to be able to take some of our NCSBS students and other willing members of this congregation to help in efforts to reach out and make contacts in that community.

As we have already set our budget for 2011, one way for us to meet this financial need is to set aside the contribution for the fifth Sunday in January (January 30) to be used in this effort or for other mission work if this work should not materialize. Please think and pray about the possibilities for this good work as you plan for your contribution for January 30.

CONGREGATIONAL MEETING

The elders will present the Work Plan and Budget for 2011 to the congregation on Sunday evening, January 23rd.

We will also begin the process of selecting more elders and deacons. We encourage everyone to be present for this meeting.

Please Remember In Your Prayers:

Don Richards is not doing well at this time. He previously had a blood transfusion but continues to suffer from anemia and they are unable at this time to determine the cause. He has recently undergone an injection that is suppose to help his body produce red blood cells. Don is presently quite weak and somewhat dizzy from his condition.

Bonnie Landreth's daughter, **Tammy Simmons**, was released from the hospital this past Thursday. It is felt that Tammy would appreciate notes and cards. Her address is 333 Friendly Acres Lane, Winston-Salem, NC 27107.

Virginia Elam has requested the prayers of the congregation in her behalf. She has been experiencing some health difficulties lately.

Frank Shepard has had a relapse in his ordeal with a cold. He has been quite ill this past week.

Al Lawson has also been ill this past week with bronchitis.

Sherrill Stewart was reported to be ill this past week with a cold.

Nikki Santiago requested prayers for the **Woolard Family** who live in Kinston, NC. The mother died in a "black ice" accident leaving three children.

An up-dated copy of the prayer list may be picked up on the credenza in the foyer. If you know of someone who needs to come off the prayer list, please let Faye know.
