## ***GOSPEL MEETING***

*Our Gospel Meeting with Mel Futrell was a great success. Other congregations supported the meeting well. More importantly, this congregation supported the meeting very well. When we think about unity of faith, we don't always think of ways to demonstrate it. This past week that was accomplished.*

*The truth was preached, a faithful gospel preacher preached it, and a large number of our members were faithful in attending. If you couldn't be here you missed some great lessons, some great singing, and participation in a very worthwhile effort.*

*The elders need to hear your appreciation for the spiritual feast we received last week. The congregation needs to use the momentum gained from this meeting to reach out more into the community and let them know that we are known by our love for one another, our love for the truth, and our love for our Lord and Savior, Jesus Christ.*

*—Frank*

# ELDERS CORNER:

## THIS I HAVE LEARNED ABOUT LIFE

- I have learned that you cannot make someone love you. All you do is try to be someone who is not difficult to love.
- I have learned that sometimes it takes years to build up trust, but only seconds to destroy trust.
- I have learned that it's not what you have in life, but who you have in your life that counts.
- I have learned that you can do something in a few minutes that will give you heartache for life.
- I have learned that you are responsible for what you do, no matter how you feel.
- I have learned that you are in control of your attitude. You choose your attitude!
- I have learned that heroes (the really great people of this world) are the people who do what has to be done, regardless of how they feel, and regardless of the consequences.
- I have learned that maturity has more to do with attitude, dependability, and taking responsibility for your life than the number of birthdays you have had.
- I have learned that no matter how good a friend is, you are going to hurt each other every once in a while, and forgiveness is essential to lasting friendships.
- I have learned that forgiving others is sometimes easier than forgiving yourself.
