**A CORDIAL WELCOME AWAITS YOU**

**December 6, 2009**

***IS THERE SOMEONE YOU WOULD LIKE TO SEE***

***HEAR THE GOSPEL?***

*Is there someone you would like to see hear the Gospel? Have you thought to yourself, "I sure wish somebody would teach them the gospel."? Well, have you thought about the idea that the "somebody" could be you? If you have thought that, you need to examine why you haven't so far. But if you have thought that it could be you but you're afraid to; well, you need to examine that.*

*Often Christians are afraid to teach others because they feel that they don't know enough to do so. If they have obeyed the gospel however, then they know more than they might think at first. You can ask yourself, "Why did I obey the gospel?" You can ask yourself, "How did I obey the gospel?" The answers to those questions are a good starting point for teaching someone else.*

*Sometimes, Christians don't teach others the gospel because they feel like they need a good method. Sometimes that does help. So how does a person go about learning a good method? One way, at this congregation, is to attend the Fishers of Men Course when it's offered. It's one of the most highly effective methods to have been developed. No one has said it's the only method, but if a person wants to learn personal evangelism, it's one of the best.*

*When the time comes around again for another "Fishers of Men Class" maybe you should sign up for it and put your name on the list. Why? So you can work on your own list of those you would like to see hear the Gospel*

*Frank*

## **ELDERS CORNER:**

### **NICARAGUA PRESENTATION**

We will have an abbreviated service Sunday night, December 6th, in order to show a DVD of the mission trip to Nicaragua this past June. This DVD will be an eye opener for those of you who have never been to Nicaragua. You'll not only see the poverty the people of La Ceiba deal with on a daily basis, you'll also see our efforts to follow Jesus' admonition to feed and clothe the poor, administer to the sick, and share the gospel with the lost. You'll see brethren from the US and Central America working together to accomplish our common goal of converting the lost and building up the church in this part of the world.

You may have heard David say that a trip to Nicaragua will change your whole prospective on life. In the DVD you'll see a wide range of emotions expressed in words, tears, and facial expressions that tell the story of changed attitudes toward the mission field. I'm sure you'll be interested in seeing many of our own members who are interviewed in the DVD. Your generous giving made it possible for ten participants from Warners to learn a valuable lesson from helping those in need, both physical and spiritual. We hope you'll plan to join with us as we enjoy this heart-warming experience.

### **ZAMBIA PRESENTATION**

A report on the work in Zambia will be given by Steve on Sunday night December 13th. Below is an e-mail from the African Director of the Zambia School of Biblical Studies. The message in this email is really for those of you who generously gave to make Steve's mission trip possible. Thank you again for your generosity and your desire to spread the gospel and help the needy throughout the world.

Dear Brother Steve,

Greetings to you and your family. I hope all is going on well with you. We are doing fine here. We are just looking forward to the new class next year.

We received alot of encouragement from you when you were here. I want to thank you very much for the assistance you gave us here at school. The computer that you bought for us will really assist us very much in our work at the school. We were having difficulties using one computer. We want to thank you again for the books that we printed on Leadership. You assisted us very much with the Ink and also the masters.

Brother Steve, the works you did here will always be remembered. You helped those who really needed help in our community. Our prayer is that our good God will continue to bless you with good health, so that you can continue to serve him well.

Pass our greetings to all those who labor with you in the vineyard.

Yours in his service,

Godfrey Pitika

## OUR SICK:

It was reported that sister **Nora Holder's** condition is deteriorating and she is sleeping a great deal. She has been placed under the care of Hospice but will remain at the Elms for the time being.

**Pat McCormick** was released from the hospital this past Monday. After undergoing extensive testing, he has been diagnosed with Wegener's Disease.
