## *“The Measure of a Man”*

*By A. Non.*

*The man’s no bigger than the way he treats his fellow man.*

*This standard has his measure been since time began.*

*He’s measured not by social rank, when character’s the test,  
nor by his earthly pomp or show, displaying wealth possessed.*

*He’s measured by his justice, right; his fairness at his play,  
His squareness in all dealings made, His honest, upright way.*

*These are his measures, ever near to serve him when they can,  
for man’s no bigger than the way he treats his fellow man.*

*I hope this “Father’s Day” is a happy one for you. As a father or a child may  
your dealings with one another be as it should be.*

*— Frank*
