A CORDIAL WELCOME AWAITS YOU

JULY 5, 2015

A Letter From Paul Sinnatuah to the Congregation at Warners Chapel:

Dear Brethren,

I wish to express gratitude on behalf of my family. We are grateful to express thanks and appreciation to you for the many contributions made to improve our ability. Truly this has immensely help us for which we are grateful. It has also help enhance our Christian life as we will be able to work for the Lord.

We do appreciate the time you all spent reviewing and building a worthy career for our living. Your efforts in this journey will go a long way. We are more than delighted for this brotherly kindness you have shown us over the years. Even so, we continue to desire your prayers for the Lord's work as we go into His vineyard to work with strong ability and be zealous to stand for the truth always.

Words are inadequate to express! Thanks ever so much for all you have done for us and continue to do.

Sincerely yours,

Paul Sinnatuah

(Paul will graduate from the North Carolina School of Biblical Studies on July 11th)

ELDERS CORNER:

Nicaragua—Part 2

There are always “Nicaragua Moments” and I want to share one of mine.

On Tuesday, my evangelism team studied with a man named Dermo. As the soul-saving gospel was taught, he was overcome with emotion, tears began to flow, and he expressed his desire to be baptized. His 13 year old daughter, Kayla, was listening in on our study. As we went to baptize him, she asked us to come back and study with her more. We did and she was baptized later that day. Around 5 pm. We went back and studied briefly with the mother who had been working all day. On Wednesday another team studied with the mother again and she was baptized. Three members of this family were baptized into Christ. I saw Kayla several more times before we left Nandaime and she always came over and hugged me. Events like that lift our hearts and encourage us.

At the same time, our hearts ache seeing families living in conditions worse than what we might use for a barn or a pig lot under a tin roof with some plastic walls and dirt floors. Sadly, that's how 80% of the world lives. I know that the 15 of us left Nicaragua recognizing just how truly blessed we are.

A few months ago I arranged with Allen Womack for Domingo (the local coordinator) to take me to Tierra Prometida (Promised Land) and meet with Juan Carranza, whom Warners Chapel supports. I took Dana along with Andy and Mindy. We met with Juan for a bit and chatted with him about the work. The work is going well. They had 3 baptisms the prior week during VBS (some of the campaigners went for two weeks) and 1 restoration.

Juan told me to share with the congregation his thanks for your support and prayers. He has had his share of challenges to overcome with the congregation but things are greatly improved. The building has been painted a bright color, he has a new podium to preach from, and the place looked very nice.

Thanks again for your continued support of the Nicaraguan mission work. Keep our 20 new brothers and sisters in Christ in your prayers.

BEFORE CAMPBELL'S TIME

In the cemetery beside the Cane Ridge church house near Paris, KY, is a stone which marks the grave of brother William Rogers. The marker has these words on it: "Born in Campbell County, Virginia, July 7, 1784. Moved to Cane Ridge, Bourbon Country, April, 1798. United with the church of Christ at Cane Ridge in 1807."

1807 was two years before Alexander Campbell came to America, and was three years before he preached his first sermon. Were the members of this congregation "Campbellites"? No. They were simply members of the Lord's church. Isn't that enough today? When people do today what people did on Pentecost, won't they be today what they became then?
