## BUSINESS MEETING COMPLETED

The business meeting was held November 7, 1948, and true to name, was carried on in a business way. When a motion was made it was discussed and carefully considered before calling for a vote.

Many times it seems that one makes a motion, another seconds it, and it becomes valid before anyone really thinks what it is all about. Brethren, we should

be more careful and considerate in handling the affairs entrusted in our hands than we are in our own.

Let us all be swift to hear, slow to speak, where there is so much at stake. Then we can have a clear conscience, and fewer mistakes will be made.

J. W. Warner.....

#### BUSINESS MEETING NOTES

A. P. Warner reported he had received a letter from A. C. Pullias expressing the school's appreciation for the \$20.00 donation made by the members here for the schooling of foreign students at D.L.C.

It was decided to turn the trimming out of the house over to Bro. Herman Landreth. He stated that as far as he could then see he could start to work the last of next week or the first of the next. He and his men are to do only the carpenter work. The pouring of the basement, digging septic tank, etc. are still to be done by members of the Church.

J. W. and A. P. Warner were assigned to investigate the getting of a surveyor to establish corners on the church lot and lay off the cemetery into lots.

It was also decided to change the time of the Sunday evening service from 7:30 to 7:00.

#### SUNDAY EVENING SERVICE CUT SHORT

The service Sunday evening was cut short when Bro. Johnson had to stop his sermon before he really got started. The cause was a bad case of tonsillitis. He plans to have his tonsils taken out the last of Nov. or first of Dec. His plans to have them removed in July were thwarted by an attack of virus flu.

#### CHANGE IN TIME

Due to the shortening of the fall and winter days it has been decided to meet at 7:00 on Sunday evenings instead of 7:30. This change in time begins this com-

ing Sunday evening. So, don't forget. The time of the Wednesday evening service has not been changed.

#### THE MAILING LIST

The mailing list for the bulletin has been revised. The staff is seeing that it gets to all those whose names have been handed in. If you know of someone who should get the bulletin but isn't, could it be that you have not handed in their name? If you haven't, hand it to either Helen Warner, Dot Holder or Eunice Reeves.

#### THE QUESTION BOX

Don't forget that Sunday night is your last chance to get your question in in time for the lesson Sunday evening, November 28th. If you have a question of a religious nature you would like to have answered at this service, place it in the question box at the rear of the auditorium by Sunday night.

#### THIS AND THAT

It seems that just about everyone went to the circus Monday night.....for the sake of the "kids" of course!!! The Johnsons plan to attend the meeting in Kannapolis Thursday night....Emerson Flannery is doing the preaching. Bro. Derryberry has just closed a meeting in Statesville....we hear there were six baptisms. Bro. Walt Harper is still a bit under the weather.
