A CORDIAL WELCOME AWAITS YOU

"IT'S THE MOST WONDERFUL TIME OF THE YEAR"

A few years ago the office supply company, Staples, ran an advertisement on television that showed a happy parent followed by his two unhappy children following him through the store. The company was advertising the fact that when children resume their studies in the Fall it is a happy time for the parents. You see, parents are glad when school is out for the Summer [that is, it signals the event of their own Summer Vacation]. But they are even happier [arguably] when their children go back to school! To put a smile on our faces the Staples Company utilizes what is normally a traditional Christmas song [our title].

But, Back-To-School also brings with it the worries of living in the world. Our young folk are bombarded with pressure to drink alcohol, take drugs, smoke cigarettes, and be involved in sexual activity and not to mention the teaching of evolution and the acceptability of alternative lifestyles. Oh for the day when Readin, Rightn and Rithmatic were what was taught in public Schools.

If you love your kids, prepare them for the fiery darts the world will fire at them!

Paul
