A CORDIAL WELCOME AWAITS YOU

August 24, 2008

Have You Used It Yet?

I'm talking about the opportunity to learn more about the Bible. I know a lot of who people who have said, at one time or another, I wish I knew more about that Biblical subject." The North Carolina School of Biblical Studies is just such a place where just such an opportunity is available.

I once knew a man who had preached for several years without the benefit of such a school. He made it very clear to me that he wished he had had the opportunity to attend such a school. His reason was that although he was a daily student of God's Word, it took him so long to find some of the "gems" that were ensconced there. Sometimes it would be almost painful to have labored so long to learn just some of those great principles of the Scriptures.

Each of us has a busy life and a full schedule; but each of always seem to want to be able to study more. That opportunity to do so is so readily available to all. You might consider how to rearrange some part of your schedule to allow at least one class. There are several who are taking classes this quarter. Perhaps you might consider taking one next quarter. It's a great opportunity; have you used it yet?

ELDERS CORNER:

THANK YOU

The elders wish to thank the members of Warners Chapel Church of Christ and others for their sacrifice and generosity in supporting the students and their families attending the North Carolina School of Biblical Studies. To date, the more than \$70,000 in funds from contributions from some of the fifth Sundays, contributions from individuals, and support from other congregations has been distributed to our students for their living expenses, travel expenses, and books. Currently the balance in the fund is approximately \$27,500, much of which has already been designated by contributors for individual students. As you can see, it will be necessary for us to continue raising funds to help our students for them to continue their studies. One of the means of support will be continuing to use some of the fifth Sunday contributions for this purpose. Also, our preachers and others will continue to visit other congregations to spread the word about this important work, with hopes of recruiting students for future classes and finding support for them and their families.

August 31st is a fifth Sunday and the contribution will be placed in the scholarship fund. Please be aware of this as you plan for your contribution for next Sunday. Also, if you are interested in helping a current or future student on a monthly or yearly basis, please let one of the elders know.

We would also like to express both the elders and the students appreciation for the many meals that many of you have helped to provide for our students on Tuesdays and Thursdays. If you are not participating in helping with these meals and would like to help, please let Carolyn Plunk or Jeannie Moore know.

Thank you again for your generosity and work in this and all other efforts of this congregation to spread the gospel.
