## ATTENDANCE UP AGAIN

We were glad to see our attendance back up again after a lapse the week before. 152 attended last Sun. morning for the worship; 72 attended Bible Study and 63 attended at the evening service. These numbers are encouraging. We hope you will help us make them even larger this coming Sunday.

## THIS AND THAT

Andrew Harper and family were back at services Sunday after a prolonged sickness in the family. Carolyn Mesh has succeeded Bobby with a bad case of chicken pox. A.P. Warner was in Richmond last week-end visiting his wife and son, Leroy. We understand that Leroy is improving. Herman Landreth led singing in Bro. Warner's absence; did a good job, too. Sis. Parks Mes-sick was retained at home because of a cold Sunday. We were glad to have Nancy Dull, Vernon Harper and his mother with us Sunday. Nora Holder is a bit ill at this writing. His cold kept Bro. John Warner at home Sunday night.

## CENTRAL'S BUILDING

We are happy to see Winston-Salem's building pro-

gram progressing as fast as it is. We know they will be happy to move into it, and hope with them that it won't be too long.

## SERMON SUBJECTS

Bro. Johnson will preach on "The Typical Tabernacle" Sunday at the 11:00 service and Sunday evening he will discuss "The Ten Plagues".

March 14, 1948....2nd Sun. contribution . . . \$ 87.25  
Personal contributions since March 14th. . . \$ 186.00  
Total cash on hand as of March 17, 1948 . . . \$ 1731.95

Present house being returned to A.P. Warner at \$ 1500.00  
(according to previous contract)

Promised by members of congregation so far... \$ 1042.58  
Total in sight for the building fund. . . . \$ 4274.53

Though this is a good start on the building fund, it is by no means enough to finish the planned house. It is necessary that everyone of us give freely if we wish to see the house finished and paid for. Let us all determine to do our very best, and THEN DO IT.

#### BASEMENT DUG

The basement for the house is to be completed Thurs. morning. At that time work on the foundation is to start. We are going to need all the help that we can get. When you get this bulletin we will be at work. If you can come on down and help us, we can use you.

The more workers we have the more work we can get done; the more work we get done the quicker we can get through. Let's all do our part.

"Whoso keepeth his mouth and his tongue  
keepeth his soul from troubles."

Proverbs 21:23
