WEDNESDAY:

Mid-Week Worship.....	7:30 P.M.
-----------------------	-----------

YOU ARE WELCOME AT OUR SERVICES

A REMINDER

Please keep in mind the teacher's training that begins this evening at 6:15 and will continue each Sunday through March. We are pleased to announce that so far 15 have received books. If you **do** not have your book as yet and plan to attend these classes, please get one from Brother Beard right after the morning worship.

A NEW CLASS

Before long the adult class will be divided into **two** separate classes; the "Young Adult" and the "Older Adult" classes. All persons from the ages of 20 through 35 will be considered as "young adults", and may be in that class if they so desire. If any of you who will be in that class have any suggestions as to what you would like to study, tell Brother Beard and it will be appreciated.

SICK

Bro. Harvie Holder is in City Hospital recovering from an operation performed Friday. He is in room #110.....A few others have not been able to be out due to sickness of one kind or another.

ATTENDANCE AND CONTRIBUTION

We do not have the exact figures for the month of January, but we do know that they left something to be desired, especially the Bible classes. Why is this so?? Why can't a congregation of some 120 members manage to have more than half that number on Wednesday nights? Why??? The contribution has dropped a little also. Let us all determine not to be satisfied until we have done our best.

"BACK TO THE BIBLE"

This is the name of a radio program sponsored by our brethren in High Point. The time is from 9:00 - 9:15 each Sunday morning with Olan Hicks speaking. The place on your dial is 1590. Then turn over to WTOB for our broadcast, "Bible Study".

BE THE BEST

If you can't be the pine on the top of the hill,

Be a scrub in the valley--but be
The best little scrub by the side of the rill;
Be a bush if you can't be a tree.

If you can't be a bush, be a bit of grass,
And some highway happier make.

If you can't be a "muskie", then just be a
bass,
But the liveliest bass in the lake.

We can't all be captains, some have to be a
crew,

There's **something** for all of us here;
There's work to be done, and we've all got to
do

Our part in the way that's sincere.

If you can't be a highway, then just be a
trail;

If you can't be the sun, be a star;
It isn't by size that you win or you fail:
Be the best of whatever you are.

--Unknown
