“The churches of Christ salute you” Rm 16:16

The Way of The Servant

In the Bible, Christians are considered and described as servants. This means that we are not on our own to focus only on ourselves, but we are in the service of serving others. This means that we consider the needs and wants of others and do what we can to fulfill those needs and desires. In doing this, we have to lower ourselves and uplift others above ourselves. Paul said it this way in **Romans 12:10** *“Be kindly affectionate to one another with brotherly love, in honor giving preference to one another;”*. Servitude is at the heart of the One who we are to follow-Christ. **Matthew 20:28** states *“just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.”* If we are going to say that we are Christians, this means that we are followers and mimickers of Christ. I like what Paul said when he said in **Galatians 5:13** *“For you, brethren, have been called to liberty; only do not use liberty as an opportunity for the flesh, but through love serve one another.”* We are to use our freedom that God has given to us to **SEEK OUT WAYS** we can serve one another. But how are we to serve one another? Notice what **Colossians 3:23** says *“And whatever you do, do it heartily, as to the Lord and not to men,”*. We are to perform our service **AS TO THE LORD**. In other words, we are to perform our service from the heart, not feeling like we have to or are forced to, but because we **WANT** to. And when we are serving another, do it as if you are doing it to the Lord, **HIMSELF**. In Matthew 25, during the judgment scene, Jesus brings up the service that others did and says that it was to Him that it was performed. He made it very clear in verse 40 this concept when He said, *“And the King will answer and say to them, ‘Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.’”* When we do service for others, we are doing it **TO THE LORD!**

How is our service to others, or should I say, to the Lord?
