Wings Like Eagles

An eagle knows when the storm is approaching long before it breaks. It will fly to some high spot and wait for the winds to come. When the storm hits, it sets its wings so that the wind will pick it up and lift it above the storm. While the storm rages below, it is soaring above it.

The eagle does not escape the storm; it simply uses the storm to lift it higher. It rides on the winds that bring the storm.

Isaiah compares people to eagles. he says, in the words of God, that we are blessed with that gift from God that enables us to ride the winds of the storm that bring sickness, tragedy, failure and disappointment in our lives. We can soar above the storm. Remember, it is not the burdens of life that weigh us down, it's how we handle them.

When the storms of life come upon us, and all of us will experience them, we can rise above them by setting our mind and our belief toward God. The storms do not have to overcome us. We can allow God's power to lift us above them. Isaiah said, "Those who hope in the Lord will renew their strength." Jesus put it another way when he encouraged us to build our faith, our strength, on a solid foundation—His word (*Matthew 7:24-27*).

It's not that we wouldn't be affected by the storm. We will not only be affected, we will be in it. It is just that we will use the storm to grow spiritually. Job did, Joseph did, and so can we.

So let's be encouraged by Isaiah's words. Let us never allow our hope to fade, our faith to weaken. Let us use God's power to "*mount up with wings as eagles*". (*Isaiah 40:30-31*).
