Schools Of Preaching

Schools of Preaching have filled a niche in our brotherhood for years. Denominations contrived by man have concentrated on combining secular and religious education for centuries in order to fill their pulpits. The result is a weak, watered-down approach to religion with emphasis swinging toward the secular and political more than the spiritual.

The thrust and focus of schools of preaching has been toward equipping men to diligently study God's word that they may have the boldness to preach the word with confidence. Men in schools of Preaching are trained to study at their desk and present an in-depth explanation of Scripture. Boldness and courage are obtained through the reception of their work and the spiritual growth that occurs in congregations who are eager to grow in the grace and knowledge of our Lord Jesus Christ.

Along with the great attention toward faithfulness to God's word, schools of Preaching also instruct men in other areas of faithfulness such as paying taxes, managing their finances and living above reproach.

The North Carolina School of Biblical Studies is committed to train Gospel Preachers in every area of the work of the preacher, but we can only do this with your help and support. This fifth Sunday, January 31, 2010, the contribution will go toward OUR school. Please remember us in your prayers as well.

—Paul

ELDERS CORNER:

YOU HAVE MADE NCSBS POSSIBLE

Without the support of the members of Warners Chapel Church of Christ, we could not have graduated our first class of students, and we now have another group on the way to achieving this goal. Your support is evident through your encouraging words to our students and prayers that are prayed remembering all the efforts of our students and faculty.

There have been so many who have helped in so many ways. Many of you have given sacrificially of your financial means so our students could support themselves and their families while they prepare themselves to preach the gospel. In addition many have helped prepare meals which have been greatly appreciated and enjoyed by students and staff as well. Others have helped by providing clerical, accounting, and secretarial help. Also, many have donated books furniture and equipment for the school to use.

The elders have designated that the fifth Sunday contribution on January 31 will be given to the scholarship fund. As this important work continues, the need for this fund to be replenished continues as well. Please consider this need as you plan your contribution for that Sunday.

Also, Paul Kirkpatrick and Joe Everett will be taking our school display to the Freed-Hardeman Lectureship in February to help make others aware of the school here. While they are there there will be opportunities to purchase more books for the library from vendors there. If you would like to contribute to this effort you can place that contribution in an envelope with library fund on the envelope and place in the contribution during the month of January.

Matthew 28:19-20

Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, [even] to the end of the age."

Thanks again for all you do to meet the command in the verses above
