WARNERS CHAPEL TO HELP SPONSOR JUNE MISSION MEETING AT BOONE

Boone is a little city of about 5,000 people located in the Northwestern part of the state. In this group of 5,000 there are only 2 members of the Lord's body that we know of. This is a sad situation. During the first two weeks in June we hope to do something about this: Boone is to have its first Gospel Meeting!

The meeting is predominately missionary. Stronger congregations in N.C. are sending their preachers and members to help in this meeting. These workers are to do personal work---on the streets, in homes, etc. The Church in Bradenton, Fla. is sending Bro. W. W. Tynes to do the preaching. West Seventh St. Church in Columbia, Penn. is sending Bro. Gid Derryberry to lead the singing. The other helpers in the meeting will be predominately North Carolinians.

In the business meeting last Lord's Day, it was decided to send Bro. Johnson and support him in this meeting. There will be more news concerning this meeting in later issues of the bulletin.

CAN YOU COME SATURDAY?

Yes, we're asking you....can you come and help us work on the house Saturday? For some reason we believe that more of you can come than came last Saturday.

Won't you try just a little harder to get here this time and bring a hammer?

We need you.....

BUILDING FUND SUN

We insert this little article to remind you that this coming Lord's Day the contribution will be placed in the building fund.

We are, as you can see, going on and up with the house. This construction is requiring material and material costs money. At the present rate of consumption our present money supply will not last long; this is the first of the month and bills are coming due. We wish to keep our bills paid up ---- this is good business.

Let's all dig down Sunday and make this contribution the largest we have had in a long time. Let us purpose in our hearts to give liberally. It will be pleasing to the Lord.

SERVICES CANCELLED

The Winston-Salem congregation is beginning its Spring Meeting Sunday, May 9th. We feel happy that we can encourage them by cancelling our Sunday evening services for the next two weeks. We hope that every member of Warners Chapel will avail himself of this opportunity and go to Central, not only on Sunday nights, but through the week as well. Our Wednesday evening class has not been cancelled.

Bro. Burrell J. Prince, who preaches for the Abilene Congregation near Statesville, will preach during this meeting. Many of you heard Bro. Prince at the afternoon service at Central a few weeks ago. We know you will want to hear him again. Bro. Gid Derryberry, of Columbia, Tenn. will direct the singing.

Services will be conducted in the new building on the corner of So. Main and Vintage Sts. at 8:00 p.m. each evening.

OUR MEETING

It isn't too early to begin thinking and preparing for our own meeting. It is only 7 weeks off. This
